 His Excellency
 Governor-in-Council Of the
 Presidency Of Madras.
 22 SEP 1908
 CHIEF SECRETARY
 GOVERNMENT OF MADRAS
 May it please your Excellency,
 I, V. Doraisamy, beg to approach
 your Excellency with this earnest request that your
 Excellency will be pleased to consider the case of an
 innocent student who has been inquired by the Princi-
 pal of St. Joseph's College, Cuddalore.
 The facts of the case stand as follows:-
 I have been a free student of the
 St. Joseph's College Cuddalore for four
 years. I was one day sent for by the Principal and I
 did go to him as directed. The Principal told me
 that it was undesirable to have any correspondence
 with a dismissed boarder on any account and imple-
 ed 36 Rs as back fees for the current year threaten-
 ing me at the same time that I would not be
 allowed to go in for the entrance examination in
 case of non-payment. I beg to invite your

Excellency's attention to the fact that I have been
 conferring with that boarder friends from a long time
 and generally his letters to me were sent to the care
 of the College address. We are bosom friends and as
 such we have been corresponding with each other.
 The Principal somehow opened these letters without my
 knowledge (I know not with what idea) and has
 put me to difficulties of a kind that can neither be
 explained nor expressed, after opening the letters. I
 crave your Excellency's indulgence for saying frankly
 that the Principal has intentionally screened it from
 my gaze with a view to bar my application for exemp-
 tion. I laid this matter before the Director of
 Public Instructions for consideration on 8th Sept. 98
 and after an interval of some days I was informed
 by a letter received from that Office that his honor
 the Director declines to interfere. I then most
 earnestly and humbly prayed the Registrar of
 the Madras University to consider the case specially
 and move the Syndicate to exempt me from the
 production of the necessary Certificate on behalf of a
 poor & helpless but hopeful student in spite of the
 fact that the application reaches him after the
 prescribed date. The Registrar ordered me to submit

the same petition through the Principal of the College
 of which I am a student. Despairing of success in case
 of my submitting it through the Principal who is deter-
 mined to ruin me & considering the few days that are
 at my disposal (namely 30 September), I have approach-
 ed your Excellency with this request - with the request
 that your Excellency would use your prerogative of grace
 and mercy in a case which deserves to be treated better
 than it has been done by the authorities.

In conclusion towards your Excellency
 personally, my feelings are those of the profoundest
 esteem and gratitude for your High Sense of justice
 and your generous desire to do good to all classes of
 Her Majesty's Subjects and I can find no better
 words for expressing these feelings than to say that
 your Excellency's beloved and honoured name has
 become with us almost a synonym for everything
 good and true and noble your Excellency's equi-
 table and benign administration this spirit of
 evenhanded justice that your Excellency has brought
 to bear upon every subject that occupies your
 attention have won for your Excellency the profound
 love and gratitude of the suffering myriads, it
 is my sincere prayer that the Almighty, disposer
 of all things, will confer on your Excellency His
 choicest blessings and reward your Excellency

Excellency have made it the ruling aim and purpose
of your life to secure to others.
