Most Honoured Sir

I humbly and respectfully beg your honour to be graciously pleased to condescend to bring the following few lines into your honour's benign consideration and grant me redress.

(2) I worked as Second Master in the Serango School in the Parlakemidy-Maliahs for the last 18 years and discharged my duties to the best of my abilitie During the time I worked as teacher in that School neither the assistant master nor the pupils made any Complaint against me

(3) During the time of Mr. Eleven the Principal Assistant Agent, the Hill School Superintendent named Chendrapatro prevailed upon the Head Master of the Serango School to pick up some quarrel or other with me and

and bring me into troubles somehow or other ~~and~~ as I had refused to pay a share of my grant to the Hill-School Superintendent. He tried his best but was disappointed in his efforts, on account of Mr. Elvers who after a patient and deligent enquiry settled the dispute by means of a Compromise.

(4) Since then the Hill School Superintendent had been trying to pave the way to my dismissal. He submitted lots of reports against me and thus poisoned the heart of the Superior officers who putting faith in his reports, could not use proper discresion and did great grand injustice to me in spite of my lengthy explanations.

(5) This Chendrapatro formerly a School master like myself in Gumma. He became Hill School Superintendent in 1892. He worked calmly with us (the school master) for about 2 years and pretended to be on friendly terms with us. According to his orders all the School Masters used to go to the Sub-Treasury every month to receive our salaries. Once upon a time in 1894 the Hill School Superintendent wanted every one of the School Masters & gave him one months pay in the year and also 40 percent of the result grant obtained as renumination for allowin us ~~to~~ the above previlege. When he inform-ed me of his intention, I told him tha I could not comply with his request a I had to maintain a large poor family.

(6) Thereupon he grew angry with me and used to threaten me. Some of the School Masters also followed my example. Consequently he obtained the order of the Principal Assistant Agen to put a stop to ~~for~~ our going to the Sub Treasury to receive our salaries.

(7) In short I beg to submit that out of malice the Hill School Superintendent got me dismissed from Government service in June 1897. Most of my petitions were not given due consideration by the Principal Assista Agent and the Governor's Agent as well.

(8) After the receipt of the dismis order I appealed against that order to the Agent who did not condiscend to reconsider my case.

(9) In Conclusion I humbly beg your honour to be graciously pleased to get the whole Correspondence from the Agents office and have a look into it before passing orders on my humble representation.

I beg to remain

Dated Chatrapur 25th June 1898.

Sir,

In forwarding herewith the Appeal petition of one Ramachandra Behara, late Assistant Master of the School at Serango in Parlakimidi Maliahs, I have the honor to pass the following remarks.

The petitioner used to be always quarrelling with the Head Master and the local authorities. In consequence the School produced very bad results in the Grant examinations of the Assistant Inspector of Schools during 1896 & 1897. At the examination of 1896 the Assistant Inspector warned the two teachers, but no improvement was shewn by them in the subsequent year. When the school was inspected by the Principal Assistant Agent on the 4th March 1897, it was found that false entries were made in the attendance registers. The Head Master was therefore reduced from Rs 20 to Rs 15, and the petitioner who

who

was found to be most troublesome was dismissed from service.

C. No. 895 of 1898.

SUBJECT.

Ramachandra Behara's appeal against his dismissal.

FOR ORDERS.

This an appeal from one Ramachandra Behara, late an assistant master of the Government Salary-Results School at Serango in the Parlakimidi maliahs, Ganjam, against his dismissal from the service. He states that for the last 18 years he worked as Second master in the Serango School and discharged his duties without giving room for any complaint; that as he refused to share his results-stipends with Chandrapatro, Supdt. of Hill Schools, that officer reported against him and got him dismissed from the service from June 1897; and that, on appeal, the Agent to the Governor, Ganjam, has refused to reconsider his case. He prays that Government will call for and look into the whole correspondence in his case and pass orders thereon. The dismissal order, which he submits in original, does not mention the cause of of his dismissal. The Agent to the Governor through whom the appeal has been forwarded however states that the petitioner used to be always quarrelling with the Head master and the local authorities; that in consequence the school produced very bad results in the grant examinations in 1896 and 1897 and that, as he was found most troublesome when the Principal Assistant Agent inspected the school in March 1897, he was dismissed from the service. According to the instructions on the subject of dismissing public servants issued by the Government of India, "the charge against a public servant should be reduced to writing, his defence should be either taken in, or reduced to writing, and the decision on such defence should also be in writing"- vide clause 1 of the Resolution of the Government of India printed in G.O.No.1401 Public dated 15th September 1879. The requirements of this rule do not appear to have been complied with in the present case. No definite charge seems to have been made against the petitioner and no defence or explanation appears to have been taken from him. Assuming that this has been done, the record of the case has not been submitted to Government in accordance with the last sentence of clause 1 of the Resolution quoted above. Orders are solicited.

v. also G.O d 23rd Sepr. 1887 No. 1373.

Sec.y. Submitted that the Agent to the Govr. may be asked to report whether the rule referred to above has been followed, & if so why the record of the case has not been submitted to Govt.

To

The Chief Secretary to Government

Dated Chatrapur 7th September 1898.

Sir,

With reference to Government memo No 1821 Educational dated 29th August 1898, I have the honour to state, that from the record it does not appear that any formal list of charges was drawn up and furnished to Ramachundra Behara, 2nd master of Serango School and his defence taken thereon as provided in para 1 of the Resolution of the Government of India read with Government order No 1401, Public, dated 15th September 1879. =

2. The power of appointment and dismissal of the master vested in the Principal Assistant Agent. On his report I stated "I Consider that the 2nd master should be dismissed. His work is uniformly bad: he quarrels with the local magnates and the Headmaster, smokes ganja and falsifies the returns." Upon this the Principal Assistant Agent would appear to have passed the order of dismissal.

3 The master in question was only dismissed after one Suspension and frequent warnings. His work generally was disgraceful and the Condition of the Seraego School when I visited it in December 1897 showed an utter want of care in teaching. Personal investigation by the Principal assistant Agent and Superintendent of Hill Schools showed that the attendance registers had been falsified. If so directed, a list of Charges will now be drawn up and the petitioners' defence thereon duly recorded.

Sir,
