Sir,

3. 9. 1898.
Dec 25- 9- 1898

Referring to para 1 of my letter No. 1006 G.D. 6.8.98 I have the honour to inform you that the Examiner, Pr. Accounts, Madras, has passed provisionally the pass of filla Maistry, K. Pedda Abbaji, pending information as to the examinations passed to qualify him for the post. I do not understand what tests such Maistry can be expected to pass. In order to remove the Examiner's objection, I have the honour to request that you will be good enough to obtain the orders of Government regarding the exemption of the Maistry from the Examination rules. An application in the prescribed form is enclosed.

2. From the Public Service Notification as revised upto 31st March 1898, it is observed that artificers employed in Workshops of this Department are not exempted from the Examination rules, while the same class is exempted from those rules in the Survey Department.

3. From the Madras Code, para 174, it appears that it is sufficient for artificers to possess a practical knowledge of their respective Crafts without passing any educational tests. But, the India Code is silent on the point. As the former Code is now obsolete I would suggest that the rule therein be revived and Government moved on the Subject.

4. In G.O. no. 648 Educational, dated 31⁹⁴ Communicated under G.O. no. 2328W, it was stated that Maistries in the P.W. Department are subject to the ordinary examination rules. I have the honor to state that it is next to impossible to procure maistries in the Workshops who possess the required practical knowledge of their work and the educational qualification as well. Educational tests are by no means necessary for Workshop Maistries and I therefore request that the Subject may receive a further Consideration by Government. All that is required for these men is Simple arithmetic and reading and writing of the Vernacular of the District in which they are employed.

This is for the P.W.D. to consider

L

only the Primary Maistry

** beyond their practical knowledge*

This is exactly what is demanded at the Primary Maistry

I have the honor to be,
Yours most obedt Servt.
