Proceedings of the Board of Revenue

(Separate Revenue.)

Dated 30th June 1898.

Mis. No. 2636.

Read letter from J.N.Atkinson Esquire., I.C.S., Acting Collector of Sea Customs, Madras, No.2727 G, dated 29th April 1898, requesting the Board to obtain the orders of Government as to what examinations in this Presidency are equivalent to the Middle School and other examinations held in Central and other Provinces, and as to the eligibility for Public Service in this Presidency of persons who have passed such examinations in other Provinces; and

Board's reference thereon No.806, dated 16th May 1898, stating that the Board is not prepared to refer to Government such general questions as the first of those asked by the Collector of Sea Customs, Madras, regarding acceptance of examinations held in other Provinces as equivalent to certain examinations in this Presidency and requesting him to furnish further information on certain points in connection with them.

Read also letter from the same officer No.3836 G, dated 13th June 1898, furnishing the information called for.

----------:O:----------

R e s o l u t i o n.

At the instance of the Collector of Sea Customs, the Board begs to request the orders of Government as regards the exemption from the Examination Rules of two candidates for employment from other Presidencies.

3. The first applicant has passed the Middle School Examination of the Central Provinces and wishes to be employed as a peon. The Director of Public Instruction has given it as his opinion that the Middle School Examination of the Central

Provinces is a wider and a higher test than the Primary Examination in this Presidency.

3. The second applicant has already been entertained by the Collector in anticipation of sanction as a clerk on Rs.35 and desires exemption firstly from the examinations required for entry in the Government service in this Presidency and secondly, from those required to be passed before he can receive promotion to Rs.50 and over. For entry into this Government service he requires to have passed the Matriculation and the Handwriting Examinations or the Upper Secondary. The examinations he offers in exchange are the Entrance Examination of the Calcutta University and the First Class Examination of the Central India Schools. The former of these has been declared by Government not to be equivalent to the Matriculation Examination of this Presidency, vide Government Order No.162, Educational, dated 23rd March 1896. The latter may be, but the absence of any test in Handwriting and Dictation has to be supplied.

4. As regards the clerk's promotion he requires, before he can receive Rs.50 or over, to pass the Sea Customs Test and the Translation Test in one of the vernaculars of the Madras Town viz, Tamil or Telugu. He offers in exchange the Bombay Sea Customs Test and the fact that the First Class Central India Schools Examination above referred to includes translation from English into Marathi.

5. The Collector requests that in disposing of his case the fact that he was qualified for service as well as eligible for promotion to higher posts in the Bombay Sea Customs House from which he came may be considered, and that, if the examinations passed by him cannot be taken to be equivalent to the corresponding examinations required in this Presidency, he may be exempted from the examinations necessary for entry into the Public Service altogether and from those which bar his promotion until the Special Test Examinations of 1899.

THE SECRETARY TO GOVERNMENT,

SIR,

With ref erence to Government Memorandum No 1675 Educational, dated 9th ultimo, I have the honour to state that, information as to the subjects prescribed for the First Class Examination of Central India Schools and the Bombay Sea Customs Test not being available in my office, I requested the Collector of Sea Customs to furnish me with the necessary information, if available in his office. He has, in reply, forwarded to me copy of a letter from clerk Kamalakar-the clerk on whose behalf exemption is now sought-which gives the examinations passed by him and the subjects comprised in each of them. I herein enclose a copy of the letter. On referring to it, I find that the subjects prescribed for the First Class Examination of Central India Schools are practically identical with those prescribed for the Entrance Examination of the Calcutta University. As the latter has already been declared by Government not to be equivalent to the Matriculation or the Upper Secondary Examination of this Province, the former must also be rejected. But the particular candidate referred to may, as a special case, be exempted from passing the Matriculation Examination as he has also passed in Mechanical Engineering in the Bombay Technical Institute, and this examination, which he has passed, more than makes up for the deficiency in the other two examinations

2. In regard to the Bombay Sea Customs Test, I am of opinion that it may be accepted as equivalent to the Madras Test.

SUBJECT.

Exemption from Examination rules.

FOR ORDERS.

At the instance of the Collector of Sea Customs, the Board requests orders of Govt. as regards the exemption from the Examination rules of two candidates for employment from other Presidencies.

The first candidate it is stated has passed the Middle School Examination of the Central Provinces and wishes to be employed as a peon. It is stated that the Director of Public Instruction has given it as his opinion that the Middle School Examinations of the Central Provinces is a wide and a higher test than the Primary Examinations of this Presidency. In view of this opinion the candidate may be exempted; but his name should be reported before a formal order can issue in the matter.

The second candidate has already been entertained by the Collector as a clerk on Rs.35. He comes from Bombay. He has passed the Entrance Examination of the Calcutta University and the First

Class Examinations of the Central India Schools. In G.O.No.162 Ed., dated 23rd March 1896 (flag B) the Govt. has declared that the Calcutta Entrance Examination is not equivalent to the Matriculation Examination of this Presidency. The standard of the First class Examinations of the Central India Schools is not known. The Board considers that it may be accepted as equivalent to the Matriculation Examination of this Presidency; but that the absence of any test in the Hand-writing and Dictation has to be supplied. The Director of Public Instruction, it is submitted, may be consulted.

Thiscandidate also desires to be exempted from those Tests required to be pased before he can receive promotion to Rs.50 and over in the Customs Dept. The tests are the Sea Customs test and the Translation Test, Lower Grade, vide p.6 of the Public Service Notification.

The candidate, it is stated, has passed the Bombay Sea Custom test and the First class Examination of the Central India Schools he has passed includes translation from English into Marathi. Nothing is known of the Bombay Sea Customs Test; the D.P.I. may be asked to state whether it is equivalent to the Madras Sea Customs Test.

As regards the Translation Test a candidate for employment in the Madras Sea Customs Office must have passed in Tamil or Telugu. A knowledge of Marathi

Marathi is of no avail. In G.O.No.775 Ed., dated 18th December 1896 the Govt. agreed with the Board that a Muhammadan Graduate who had passed in Hindustani in the B.A., Degree Examination and who was employed in the Madras Sea Customs Office, can not be regarded as having passed a test equivalent to the Translation Lower, unless he took either Tamil or Telugu for the B.A. Degree Examination.

This candidate cannot therefore be exempted from the Translation test.

The name of the candidate should be reported before any order exempting him from any or all of the tests above referred to can be passed.

Orders are solicited.

6.8.98

Please see the D.P.I's reply in cno 1184. He does not consider that the First class examination of Central India Schools is equivalent to the matriculation or the Upper Secondary exams of this Presidency, but states that this particular candidate referred to may, as a Special case, be exempted from passing the matriculat

as he has also passed in Mechanical Engineering in the Bombay Technical Institute which makes up for the deficiency in the Calcutta Entrance and the Central India School Examns. He also states that the Bombay Sea Customs Test may be accepted as equivalent to the Madras Test.
