Honored Sir,

I beg to submit that I find it almost impossible to get through the office work with the two clerks now given to me. Gumastah Ramaswami Iyer is perfectly useless and knows nothing of his work. In fact he has been doing nothing till he came to this office.

Gumastah Narayana Rao knows nothing of the work of

of this office though he has put in a service of three years. These two clerks have somehow or other lost a file of papers given to them for fair copying a report drafted by me. The papers related to certain pages torn out of the receive register of last year to avoid being found fault with for not having submitted certain explanation called for by the Collector. Gumastah Muthusami Asary found the pages torn out of the register and charged of Gumastah, Rama Rau, ow of Gumastah in Tagalpad aluk, but Rama Rau in his turn charged Muthusami Achari; my predecessor Mr.

Mr. Mahadeva Sastry sent the papers with a note ~~fr~~ to me from Jummalamadugu. I prepared the accompanying draft arzi to the Sub Collector explaining facts and requesting orders. I gave the arzi to clerk Ramasami and asked him to fair copy the arzi on 30-4-90, he brought the copy but I asked him to get it compared. The paper never came to me again and when I questioned Ramasami he told me that by mistake he had despatched the arzi and its enclosures to the Sub Collector without my signature to the arzi. I did not believe this story

Story and called on him for a written Explanation. His Explanation is submitted herewith for perusal and Orders. As Ramasami implicated Narayana Rao I called on him also to Explain. My order is dated 28.5-E and Narayana Rao has not submitted his Explanation as yet. Mr. Mahadeva Sastriyar had mentioned in his memo that when the 2nd Clerk's place was temporarily vacant in this office he was unavoidably made to recommend Sitaramiah Copyist of this Office for the place and

if

if any other man is available he would not have recommended Sitaramiah It may be that to make away with the record that was against him Sitaramiah cause the disappearance of the file in question or it may be that C. Rama Rao Gumastah Vayalpad Taluq, who had come here to to give Evidence in a case of forgery that was then pending before me, managed to make away with the file of papers as they were against him. Any how Clerks Ramasami and Narayana Rao are much to blame in the matter, as it was through their carelessness and

negligence

negligence the file of papers was lost. I have brought this matter to your honor's notice for orders.

Gumastah Narayanakan has a confused head and knows nothing of his work. Papers are unnecessarily delayed and no papers going into the office comes out of it without my asking for it a number of times however urgent it may be. I am getting reminders almost by every tappal and with my present establishment I find it very difficult to send replies to the reminders. Further I submit that these two clerks are not able to prepare

prepare Revenue and Magisterial returns and this causes a good deal of inconvenience in addition to its giving room for a lot of unnecessary correspondence

I have to be in camp for at least 10 days in a month and during this period I find it impossible to get papers disposed of. I don't complain that these 2 gumastahs wantonly delay papers or shirk work, but I bring to your honor's notice that by nature they are very very slow and this with their complete ignorance of works, interferes a good deal with the despatch of of Office work.

These facts I beg to submit are sufficient to convince your honor that better men are not given to me the office work here will suffer and I will be held responsible for the bad state of office.

Under these circumstances I humbly request that your honor will be kindly pleased to take away these two men from this office and give me better men in their stead.

I think it my duty to bring to your honor's notice that papers disposed of last year and during the 1st quarter of

of this year have not been indexed and that they are left without any arrangement and that therefore all the papers have to be searched when any reference have to be picked up.

There is no register of periodical returns available in this office and office copies of some returns are not to be found. This causes a good deal of inconvenience and trouble in preparing returns for this year. This accounts for some returns not being sent at all and others being sent incorrectly prepared.

unless matters are set right it is very difficult to get through work promptly.

I beg to remain,
Honored Sir,
Your most obdt Servt.

Note.

This fair copy was not sent to me for signatures and when I took note of the bundles of papers in Clerk Narayana Rao's box on 21-7-98 I found this fair copy with the accompanying half written Explanation of Narayana Rao and submit the papers for orders.

Sir,

In forwarding herewith copy of an arzi from the Dy. Tahsildar of Piler, I have the honor to report that it is extremely difficult to find competent passed Gumastahs for Piler office, owing to the unhealthy nature of the climate. The two Gumastahs referred to by the Deputy Tahsildar are R. Ramaswami and S. Narayana Rao

Row. Ramaswami was only acting in a temporary vacancy and has since been ousted. Narayana-Row has been suspended for 6 months for other reasons and I have appointed one K. Rama Row an unpassed man to act for him. Rama Row has been acting for some time in Kadiri Office and is well spoken of by the Tahsildar. He knows English and is trained in Receipt and Despatch work. Further he is willing to serve permanently in Piler. Under these Circumstances I request that Government may be addressed to allow him to be a permanent Gumastah in Piler on the ground that owing to the ~~unhealthy~~ unhealthiness of the climate it is impossible to

to get an efficient passed man to stay there and that work becomes highly confused by frequent changes in the Staff. As far as I remember the rules about passed men do not apply to Bissemkuttak office in the Vizagapatam Agency and Piler is almost as unhealthy as Bissemcuttak.

The Secretary to Government,

Sir,

In forwarding herewith a copy of the Sub Collector's letter Ref. on. current No. 2722 Revenue of 98 dated the 5th August 1898 with its enclosures, I have the honor to support the Sub Collector's recommendation. The difficulty of securing the services of passed men, or of even competent unpassed men in almost all the offices of the District had been very great. This scarcity of competent men hampers work in most offices of the District. Government is fully aware of the diffisulty of securing

passed

passed men in the Deccan Districts as well as in the Agency tracts and this led to the leniency with which men of these parts were allowed to appear for the Criminal Test, Lower Grade Examination &c. Even now the Agency tracts are exempted from the operation of the Public Service notification, Arts. 1 & 2. The evil reputation which Cuddapah derives from the Hd. Quarters being situated in the ~~worst~~ most unhealthy few miles of country in the district has unfortunately ~~exten-~~ extended to the District as a whole, ~~has been ded~~ We have almost no ~~provisions~~ passed men of local production and the name of Cuddapah deters outsiders from coming in.

I therefore request that I may be allowed to ~~receive~~ recommend for permanent exemption from Examination rules. Such unpassed men as having been tried in ~~should~~ shorter vacancies, have been found useful public servants: It is only in this way that I can hope

hope to ~~think~~ have my office full handed. Unlike most of the district, Piler is said to be very unhealthy. I therefore recommend now that K. Rama Row, an unpassed man may be permanently exempted from Examination rules for employment at Piler.

I have the honor to be,

Sir,

Your most obedt. Servant.
