Visited the station this afternoon; found it very tidy. Arms clean & notices &c neatly arranged. The Statement of crimes shows that detection has greatly improved and in fact this Division has lately stood at the top of the list in the District. This reflects great credit on Inspector Muhammad Khan who has worked exceedingly well. He earned his promotion last year and I have no doubt that he will soon have a good chance of obtaining further advancement in the Police Service. I shall be glad when he is made a Deputy Collector.

Para. 11. Inspector Muhammad Khan Sahib has certainly worked well in the case & saved the rich ryot 2nd Prosecution witness Perumal Reddy from being cheated in the large amount of Rs 1500; he has acted like a very clever Bow Street runner in the case.

Copy of the Judgment should be sent to the Superintendent of Police for information

Madras Christian College.
5th April 1889.

Muhammad Khan studied for upwards of one year (1888 & part of 1889) in the Junior B. A. class of the Christian College. He came to us from Cuddalore, highly recommended by the late Father Jarles & he proved himself worthy of the recommendation. His conduct was all that could be desired

& his diligence & progress were satisfactory. He was loyal to the College all through & was not carried away by any commotion. I was led to form a favourable opinion of his character & I have confidence in recommending him

(Signed). C. Cooper. M.A
Professor
& late Ag: Principal.

Muhammad Khan was long a Student of this Institution. He has just passed F. A. As a Student he was known for his intelligence, application, great perseverance and love of knowledge. His knowledge of English & Mathematics is creditable for one of the community to which he belongs. He is a prudent & thoughtful young man, and of polite manners. He has had the fortune to earn the good will of all who had to do with him till now; and it is to be hoped that the same fortune will attend him likewise in the more important part of his life before him —

The District Magistrate, South Arcot
The Inspector General of Police, Madras.

The humble memorial of V. Muhammad Khan
Sahib
Inspector of Police, Panrutty Dn.
South Arcot District

Most humbly showeth,

That the humble memorialist, is a Muhammadan and an undergraduate of the Madras University having passed the first Examination in Arts in 1888. He studied in the B. A classes of the Madras Christian College, for about a year & 2 months, but was obliged to discontinue his studies on account of ill-health.

In March 1889, he entered the Police Department as an Acting Inspector, and for the last 9 years, he has always endeavoured to discharge his duties to the best of his ability. By his zeal & devotion to work, he has been fortunate enough to secure the good opinion of his Superiors, the late District Magistrate A. E. Castle Stuart Stuart Esquire & the District Superintendent, both of whom have passed appreciative remarks on his detective work. The District Magistrate vide his remarks in the Visiting Book of Chengam station (Copy herewith attached) said that "he would be glad to see him as a Deputy Collector".

The District Superintendent of Police, South Arcot, G. H. Hunt Esquire was pleased to select the memorialist as a Special Dacoity Inspector in February 1898 as a recognition of his approved merits, when a Special Party was organised for the better prevention & detection of Highway Robberies and Dacoities in South Arcot—

As the nature of his duties is such, that he cannot without detriment to his work, study for and pass, the B. A. Degree Examination, the memorialist humbly prays his Excellency's generosity to exempt him from the Examination rules which prohibit F. As to appear for the Revenue Test Higher Grade.

The memorialist most humbly begs to enclose herein Copies of his testimonials.

Forwarded.

The applicant is a Muhammadan and has passed the First Arts examination.

His conduct while in the Police has not been uniformly good and in 1892 he was transferred and severely reprimanded for a disgraceful intrigue with a woman. He was, however, comparatively young then and having regard to later and more favourable reports the exemption asked for is recommended.
