To,

His Excellency the Governor in Council,
Madras Presidency.

*The humble appeal petition of Mohammed
Husain 3rd class No. 3 Amin of the
Proddatur District Munsiff's Court
in the District of Cuddapah.*

Most Respectfully Showeth.

That His Excellency's humble memorialist begs to submit his appeal
against the order of the High Court of Judicature Madras No. 178 dated 26-1-97 B
referring the petitioner's attention to the Proceedings No. 74 dated 8-1-96 in which C
the petitioner's request that he might be recommended for exemption to the Exami-
nation rules inaccordance with proceedings No. 2234 dated 13-9-89 was not com D
plied with.

2. That His Excellency's humble memorialist begs to submit that as soon
as he came to know that the Proceedings No. 2234 dated 13-9-89 of the Hight Court D
was passed, he petitioned the District Munsiff of his Court that he might be recom-
mended for exemption in accordance with the proceedings quoted above. He for-
warded the same to the District Judge who was pleased to order the District Munsiff
in his letter No. 133 dated 11-11-95, that his application for exemption should be sub- F
mitted in the prescribed form. On which the District Munsiff in reply to the
above, informed the District Judge, that he did not see sufficient grounds to sup-
port the application of the petitioner for exemption from the examination rules
without assigning any reasons. Then the District Judge in his proceedings No. 149 G
dated 3-12-95 strictly ordered that the application of the petitioner for exemption
should be submitted in the prescribed form, upon which the District Munsiff
stated that he did not see any sufficient ground to recommend the petitioner
for exemption as passed candidates were available. In this connection, the
petitioner humbly submits that it is not the intention of the High court in the
proceedings quoted above that the serviceable man should not be recommended
for exemption when the passed man is available, but it is stated in para 2 of the
Proceedings that "it is willing that picked and really deserving unpassed men in
the existing establishment should not be deprived of the boon they have long ex-
pected". It is also stated in the same para that the deserving men of good charac-
ter should be recommended. The District Munsiff, who was trying from the very
beginning that the privilege granted in the above proceedings should not be shown
to the petitioner, did not make a slight mention of his (petitioner's) undeservedness
and bad character. If the petitioner really had any such black marks he (the
District Munsiff) would not have had the slightest hesitation to mention them to

gain his own point. The petitioner begs to submit in the next para the circumstances which made the then District Munsiff to displease with the petitioner for His Excellency's consideration.

3. That His Excellency's humble petitioner begs to submit, to the misfortune of the petitioner, that the place of the Amin No. 2 had fallen permanently vacant and it was given to Gollapinni Ramiah who was a favourite of District Munsiff and who had black marks such as suspension &c., and the petitioner who had longer service and better qualifications than the new incumbent who came from the Madanapally District Munsiff's Court, could not but fight for justice, as Amins, then, anticipated their scale of reduction fearing that he might become a victim of the reduction scale. In this case the petitioner went up to the High Court of judicature where he succeeded in his attempt of getting the vacant place ousting the new comer the Munsiff's favourite; from that time forward the District Munsiff was troubling him much in the official course of business and His Excellency's humble petitioner was doing his duties without giving room for faults that might cause displeasure of the District Munsiff towards the memorialist; he begs to mention, if it is not out of place to submit, that he even refused to send his appeal petition to the District Judge referred to in para 3 Supra and caused the petitioner to give it to the District Judge direct who was pleased to refer it to the District Munsiff for remarks and representations. In submitting the petition referred to him by the District Judge he could not but accept the contents of the petition as they are nothing but facts on record. Hence the displeasure.

4. That His Excellency's humble petitioner is a servant of 25 years standing and he takes the place of senior Amin in the whole District. He did his duties to the satisfaction of his superiors. Under the above circumstances His Excellency's humble memorialist craves his Excellency the Governer in Council to be pleased to consider his poor deplorable case on perusing the records connected with it, exempt the petitioner under the examination rules and bestow on him the place of 1st class Amin that may hereafter fall vacant in the District and thus make His Excellency's humble servant enjoy the benifit left open mercifully to the amins in general, in the High Court Proceedings No. 2234 dated 13-9-89 quoted above.

For this act of charity the petitioner will, as in duty bound, ever pray for His Excellency's long life and prosperity.

The Cuddapah Dist Munsif in his letter No. 111 of the 2d Octr 1888 states that he is unable to verify the service from 16th August 1873 to 28th January 1882 as there are no copies of pay bills & acquittance Rolls in his Court. There upon the Amin on the 16th Octr 1888 filed an affidavit under Sec 131 Rule 5 of the Civil Pension Code 6th Edition which was sent to the Dist Court for taking depositions from the contemporaries who are said to be the Servants of that Court. With its Pro: No. 130 of the 3d December 1888, the Dist: Court has forwarded the depositions of Amins Syoomiah & Ramsing who state that Mahomed Hussain was in Service of the Dist Munsif's Court at Cuddapah from August 1873 to January 1882 But in the explanation furnished by the Head Ck of Cuddapah Munsif's Court it has been stated that Mahamed Hussain was in Service from August 1873 till the close of August 1881.

The service from 29th January 1882 to end of October 1888 has been verified by the records of this Court.

You will observe that the new Scale divides Amins into 3 classes on Rs 12, 15 and 20 respectively, and that the last two grades of pay require that the officers appointed to them Should either be passed men or should have been exempted by Government from the necessity of passing. The High Court is not prepared to move Government to allow a general exemption in the Case of existing unpassed amins So as to permit them to be now

Rs 15 or Rs 20 grade; but it is willing that picked and really deserving unpassed men in the existing Establishment should not be deprived of a boon they have long expected. In giving effect to the rules care should be taken that they do not operate to reduce the pay of any person (e.g. an Amin now drawing Rs 14 must not be reduced to Rs 12, but should be recommended for exemption either for a Rs 15 or Rs 20 ~~last~~ post). You are requested therefore to forward to the High Court a statement showing once for all the particular individuals for whom you [illegible] wish exemption and the places for which they should be exempted. None but really deserving men of good character should be recommended for exemption for the Rs 20 posts.

3. It will also be noted that the new rules sanctioned by Government allow in some cases a higher rate of pay for Central and Deputy Nazirs than has been granted in the Proposition Statement. The High Court considers that the rates now sanctioned are sufficient.
