OFFICE OF THE DIRECTOR OF
PUBLIC INSTRUCTION,
Madras, 12th November 1897.

No. 12493-

From

THE HONOURABLE MR. D. DUNCAN, M.A., D.Sc. LL.D.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

The Secretary to Government,
Educational Department,
(through the Accountant General)

SIR,

I have the honour to bring to the notice of Government the rather anomalous position of the Inspectors who belong to the Provincial Educational Service in regard to their travelling allowance. In the new edition of the Civil Service Regulations, officers of the Indian Education-al Service and the graded service are treated as officers of the first class for purposes of travelling allowance (vide Appendix 19); but those of the Provincial Service have been excluded and, it would seem, intentionally. The travelling allowance of these officers should therefore be calculated according to their pay and it would be a great hardship to Inspectors who belong to the Provincial service and whose pay is Rs. 500 and less, for they can only draw the allowance admissible to second class officers, viz, double second class fare and daily allowance not exceeding Rs. 3 equally with their head clerks, whose pay ranges from Rs. 50 to Rs. 60. Their position is thus very anomalous and I beg strongly to recommend that the Government of India may be moved to include ~~the~~ Inspectors of schools, whatever their pay may be, in Appendix 19 of the Civil Service Regulations with retrospective effect from the date of the

introduction of the Provincial service scheme. Inspectresses of girls' schools are treated as first class officers and it seems but fair that Inspectors should also be similarly treated.

2. Before the introduction of the Provincial Educational service, Assistant Inspectors of schools were of three grades, the pay of which was Rs. 400-500, Rs. 300-400 and Rs. 200-300. The maximum pay of the lowest grade being Rs. 300, all of them were able to draw a daily allowance of Rs. 3. But now under the new scheme, ~~there~~ are Assistant Inspectors whose salary is less than Rs. 300 and these officers can draw a daily allowance of only Rs. 2 or Rs. 2½ as the case may be. It seems to me necessary that these officers should, in order to enable them to maintain their position, get a daily allowance of at least Rs. 3 as hitherto, and I beg also to recommend that the sanction of the Government of India may be obtained for their drawing the maximum daily allowance admissible under the rules with effect from the date of the introduction of the Provincial Service scheme.

I have the honour to be,

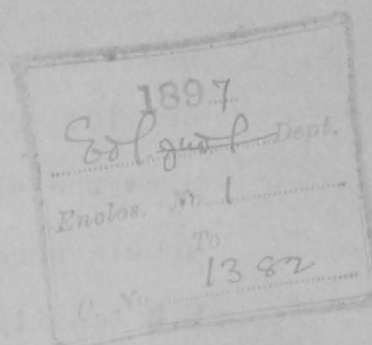

Sir,

Your most obedient servant,

SIR,

In forwarding a letter No. 12493 dated 12 November 1897 from the Director of Public Instruction recommending that Inspectors of Schools who belong to the Provincial Educational service be treated as first class officers for purposes of travelling allowance and that Assistant Inspectors be permitted to draw daily allowance of Rs 3/- irrespective of their pay, I have the honour to observe that under Article 1096 of the Civil Service Regulations members of the Provincial Educational Service rank, as far as Travelling allowance is concerned, according to pay of the class to which they

they are appointed.

2. If Government are prepared to adopt the proposal of the Director of Public Instruction to include the Inspectors of schools in Appendix No. 19 of the Civil Service Regulations irrespective of the pay they draw, and to grant to Assistant Inspectors a ^{fixed} daily allowance of three Rupees, the previous sanction of the Government of India will be necessary.

3. A reference has already been made by me to the Government of India on the subject of the daily allowance admissible to members of the Provincial Educational Service whose pay exceeds Rs 500/- a month, the rate for the Indian Educational Service having been fixed in Appendix No. 25 at four rupees a day. No orders however have yet been received on this point.

SIR,

In continuation of my letter No 12493, dated 12th instant, I have the honour to observe that paragraph 15 of the Resolution of the Government of India sanctioning the reorganization of the Indian and Provincial Educational services distinctly says that no officer should suffer by the reorganization. The exclusion of the Inspectors belonging to the Provincial Service from Appendix 19 of the Civil Service Regulations makes them suffer pecuniarily in the matter of their travelling allowance, and this could not, I think, have been contemplated by the Government of India. The above remark applies also to the reduction in the rate of daily allowances for Assistant Inspectors drawing less than Rs. 300.

Letter to the Secretary to
the Govt of I. Home Dep.

Sir,

I am directed to address
you on the subject of travelling
allowances payable to Inspectors of
Schools, who are members of the Prov.
Educational Service, and to Asst
Inspectors of Schools.

2. Officers of the Indian Education-
al Service and of the Graded service
are mentioned in Appendix 19 to the

C.S.R.

C.S.R. (3rd edition) as officers of the first class for purposes of travelling allowances, but Inspectors of Schools belonging to the Provincial Educational Service, who were on the graded service before the re-organization have been excluded, leaving their travelling allowances to be calculated according to pay under art 1096. This operates ^{hardly} ~~harshly~~ in the case of Inspectors whose pay does not exceed Rs 500 a month, by restricting their daily allowance to Rs 3/- and by allowing them only second class accommodation when travelling by railway, which is the same as that allowed to their head clerks whose pay is Rs 50 rising to Rs 60. This is regarded as a great hardship. H.E. ^{the Govt} C. therefore recommends that Inspectors of Schools of the Prov. Ed. Service, irrespective of their pay, may be ranked as officers of the first class for the purposes of the travelling allowance regulations.

3. Adverting to the case of Aftt Inspectors of Schools I am to

3
to state that, before the reorganization, they were of three grades the pay of which was Rs 400 to 500, Rs 300 to 400 & Rs 200 to 300. The maximum pay of the lowest grade being Rs 300, all of them were able to draw a daily allowance of Rs 3/-. But ~~now~~ under the new scheme there are Aftt Inspectors whose pay is less than Rs 300 and these officers can draw a daily allowance of Rupees two or two and a half as the case may be. H.E. ^{the Govt} in C. considers that these officers should, in order to enable them to maintain their positions, get a daily allowance of Rs 3/- as hitherto and recommends that ^{this} ~~the same~~ may be granted to them, irrespective of their pay.

4 - In conclusion I am to observe that these recommendations are in keeping with the principle laid down by the Govt of I - in para 15 of the Home Dept Resoln no 24-~~25~~ Education 204-215 & 23rd July 96, that no officers should suffer by the reorganization and to request that, if approved, they may be given re

retrospective effect from 1st
January 1897, the date on which
the reorganization of the Educational
Services was brought into force
in this Presidency.
