Ad CURRENT No. 1432,

OFFICE OF THE DIRECTOR OF

PUBLIC INSTRUCTION,

Madras, 28<sup>th</sup> October 1898

No. 12244.

From

THE HONORABLE MR. D. DUNCAN, M.A., D.SC., LL.D.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

The Secretary to Government,

Educational Department,

Fort Saint George.

SIR,

In this office letter to Government No 12151, dated 13th December 1894, embodied in G.O. No 979, Educational, dated 21st idem, submitting proposals for the reduction of the late Training College, Calicut, into an upper secondary school, I proposed a salary of Rs. 100 per mensem to the Headmaster on the ground that he had the supervision of the Mappilla Branch training school located in the same compound. This school having recently been ordered to be removed to Malapuram (G.O. No 363, Educational, dated 20th June 1898) the reason for which the Headmaster of the upper secondary school was allowed a higher salary has ceased to exist. I have the honour, accordingly, to recommend that the pay of the post be reduced to Rs. 75 per mensem which is the average of the pay assigned to the Headmasterships of other upper secondary training schools, viz, Rs. 60-80.

2. The Mappilla Branch training school, Calicut, is of the lower secondary grade, but the lower secondary department has never been well attended. On the 31st March 1896, it had two students on the rolls of this department and during the last year and the current year, not a single student sought admission. I, therefore, beg to recommend that opportunity may be taken of its removal to Malapuram, to reduce it to the primary grade. Should any lower secondary grade students seek admission, they may be sent to

Calicut. The staff consists of a headmaster on Rs. 40-60 and four assistants including the gymnastic instructor and general teacher. The headmaster's post may be abolished. There are now 15 lower secondary grade stipends attached to the school. These may also be surrendered. The saving that will be effected by the reduction of the school to the primary grade will, therefore, be Rs. 175 per mensem as

|                                           |            |                               |
|-------------------------------------------|------------|-------------------------------|
| Salary of headmaster                      | Rs.        | shewn in the margin. Out      |
| Rs. 40-60-average                         | 55         | of this sum, Rs. 40 should be |
| 15 lower secondary stipends at Rs. 8 each | <u>120</u> | allotted for house rent       |
|                                           | <u>175</u> | for the school at Malapuram.  |

No provision now exists for house rent as the school is located in the same compound with the Hindu school. I think a sum of Rs. 40 will be necessary to find suitable accommodation at Malapuram.

3. I beg to request that the above proposals may be sanctioned to have effect from 1st January next. The necessary proposition statements will be submitted on receipt of sanction.

I have the honour to be,

Sir,

Your most obedient servant,

*S. G. Srinivasan*

Director of Public Instruction.
