From the Director of Public Instruction, Madras.

For Orders

The D.P.'s proposal involves the supply of 81 sets of the apparatus to Ed. officers. As the cost of the apparatus is small, the proposal of the D.P. may be approved. It will be in the long run more economical than taking loan of them from other offices, which entails postage &c.

OFFICE OF THE DIRECTOR OF

PUBLIC INSTRUCTION,

Madras 24 September 1898

No. 11072

From

THE HONORABLE MR. D. DUNCAN, M.A., D.S.C., LL.D.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

THE SECRETARY TO GOVERNMENT,

Educational DEPARTMENT,

Fort St. George.

SIR,

With reference to G.O.R.No 15, Educational, dated 10th January last, I have the honour to request that the Superintendent of Stationery may be instructed to supply apparatus for recording finger print impressions to the following officers of this Department:-

- Inspectors of schools 4
- Inspectresses of girls' schools 2
- Assistant Inspectors of schools 9
- Sub-Assistant Inspectors and Inspectresses of schools (Sub-Assistant Madras range excepted) 61
- Principals, Kumbakonam and Rajahmundry Colleges and Teachers' College, Saidapet. 3
- Headmaster, Mangalore College 1
- Superintendent, Reformatory School. 1

2. One set of apparatus has already been sanctioned for this office and this set will be made available for all the institutions and offices in the city of Madras, excepting the offices of the Inspector of schools, Central Circle and the Assistant Inspector of schools, Presidency Division. Inspecting officers being touring officers, it is not possible for them to take a loan of the apparatus from any of the other offices, nor can the apparatus in the offices of Inspectors and Assistant Inspectors be lent to the Sub-Assistants without considerable inconvenience. A separate set for

each of them is, therefore, necessary. I have, however, excluded the Sub-Assistant, Madras range, as this officer can, without much inconvenience, be permitted to have the use of the apparatus in this office or in the office of the Inspector or Assistant Inspector. Inspecting officers will be directed to take the apparatus with them always when on tour, so that it may be made available to all the Educational institutions which they may visit in the course of their tours. One set of the apparatus will suffice for the College of Agriculture and the Teachers' College, Saidapet and its branches.

2. The apparatus seems to have been supplied to all the registration offices and to most police stations, and schools in out of the way places, which the inspecting officers visit only at long intervals, may take a loan of it from the registration office or police station hardly.

I have the honour to be,

Sir,

Your most obedient servant,

Curran

Director of Public Instruction.
