OFFICE OF THE DIRECTOR OF

PUBLIC INSTRUCTION,

Madras, 15 October 1898.

No. 11753

From

THE HONORABLE MR. D. DUNCAN, M.A., D.SC., LL.D.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

The Secretary to Government,

Educational Department,

Fort Saint George.

SIR,

In my letter No 926, dated 3rd February last, I sought the sanction of Government for certain items of contingent expenditure incurred by the Principal, College of Engineering on the purchase of stationery and objected to by the Accountant-General under Article 98 (c) and (f) of the Civil Account Code. The sanction applied for was accorded in G.O.No 88, Educational, dated 15th idem. The acting Principal now reports that between the date on which the articles above referred to were purchased and the date on which the Accountant-General objected to the charges, a further expenditure of the same kind, noted in the

	Rs.	As.	Ps.	margin, was incurred
1. 12 section note books & 5 sketch books, for military students & instructors	18	12	0	by Major Love, apparent
2. Two rolls of Ferro-prussiate paper	26	14	0	-ly not foreseeing
3. Sponge	4	0	0	
4. 15 yards of Turkey red cloth	4	2	0	the Accountant -
5. Small quantities of inks	1	7	0	General's objection,

and relying on the old practice of purchasing such articles locally and shewing the items as I (b) charges in the contingent bill. These items have again been objected to by the Accountant-General and I have the honour to request that he may be authorized to admit the charges.

2. In addition to the above, the acting Principal, in anticipation of sanction, purchased in August last 22 section note

books for Rs.27-8-0 and two sketch books at Rs.1-8-0.
His action in having purchased them in anticipation
of sanction, was, no doubt, irregular; but as he reports
that the articles were very urgently required, I beg
to request that these charges may also be admitted.
He has been directed to see that such unauthorized
expenditure is, on no account, incurred in future.

3. Of the articles noted above as having been locally
purchased, section note books, sketch books, Turkey red
cloth, Stephen's scarlet ink and Stephen's blue black
ink are not available in the Stationery office, and as
they are reported to be absolutely necessary for the
College, charges on account of them will have to be
incurred every year. The Principal, therefore, requests
that general sanction may be accorded for their local
purchase, whenever necessity may arise, and I beg that
the general permission applied for may be granted. The
Principal states that the red and blue black inks
supplied by the Stationery office are not Stephen's,
that they soon get clotted, and that a superior kind
of these inks is necessary.

I have the honour to be,

Sir,

Your most obedient servant,

J. G. ...

Director of Public Instruction.
