GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper :—

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., LL.D., Director of Public Instruction, to the Secretary to Government, Educational Department, dated Madras, 1st November 1898, No. 12396.

I have the honour to submit copy of a letter from Mr. A. G. Cardew, dated 7th October 1898, and to request that Government will be pleased to accept the endowment in question, and to sanction a half grant of Rs. 333-8-0 under Chapter IX of the Grant-in-Aid Code. The grant, if sanctioned, will be paid early next April—the current year's budget allotment for furniture and other special grants having been almost fully appropriated already.

2. I beg to suggest that the Director of Public Instruction and the Principal, Medical College, for the time being, may be appointed trustees, in which case a trust-deed as required in article 2 (iii), Chapter IX of the Grant-in-Aid Code, does not seem necessary.

3. Draft rules for the award of the prize will be submitted for approval after the grant has been sanctioned and the whole amount invested in Government securities.

ENCLOSURE.

From A. G. CARDEW, Esq., to the Director of Public Instruction, Madras, dated Belmont, Ootacamund, 7th October 1898.

I have the honour to inform you that a committee consisting of the Hon'ble Sir Henry Bliss, K.C.I.E., the Hon'ble Mr. Sturrock, Mr. J. H. Tremeneheere, Mr. H. A. Sim, and myself, having been formed to promote the foundation of a memorial to the late Mr. James Grose, C.I.E., Member of Council, who died on the 7th June last, subscriptions have been collected from members of the Indian Civil Service serving in this Presidency, and I am now directed to state, on behalf of the committee, that it is prepared to make over the sum of Rs. 667 in Government 3½ per cent. paper for the purpose of founding a prize, to be called *The Grose Memorial Prize* and to be awarded to the female student of the Medical College standing first in the first college examination for the degree of Medical Practitioner. With reference to Chapter IX of the Grant-in-Aid Code, I am to request that you will be so good as to recommend to Government that upon the above-mentioned sum of Rs. 667 in Government 3½ per cent. paper being made over, a grant-in-aid, equal to half the sum raised by subscription, may be sanctioned. The total endowment would then amount to Rs. 1,000, which would yield an annual return of Rs. 35—a sum which, it is hoped, will be considered sufficient for the prize proposed.

2. As regards the conditions of aid laid down in Rule 2, Chapter IX of the Grant-in-Aid Code, I am to state—

(1) that the endowment may be invested in the names of the Government trustee or such other trustees as you may indicate;

(2) that the whole sum of Rs. 667 has been subscribed by members of the Indian Civil Service serving in this Presidency;

(3) that the trust-deed, a form of which you may be able kindly to furnish, may contain the prescribed provision.

3. If any further information be required, or if any further action on my part is necessary, I shall be obliged if you will give me early intimation.

ORDER—No. 704, Educational, dated 10th November 1898.

The Government accepts the endowment with pleasure and sanctions a half grant of Rs. 333-8-0 in aid of it.

2. The Director of Public Instruction and the Principal of the Medical College will be appointed trustees of the endowment.
