The humble supplication of Ariggla Mukunda Row Naidu late Meteorological Observer Rajahmundry.

Most honored sir,

With profound respect & humble submission I beg to bring the following few lines into your honor's kind & noble considerations.

In submitting the marginally noted correspondence for your honor's kind perusal & orders, I beg to state that tough my claims for a serviceable post of Rs 15/- & upwards in the Imperial branch have been favorably considered by the District Judge, Godavari, as well as the Dt medical & Sanitary Officer, on the strength of your honor's No 3581, of 17-12-97, yet the Government in its order No 294, of 11-5-98, said that there is no reason

reason why I should be exempted from the present Educational rules-

2. There are two obstacles in my way for getting a pensionable post again, viz:-

(1) Age:- this was settled favorably by your honor in No 3581, of 17-12-97.

(2) Inferior service & for this the Government declined in its order above quoted.

3. I passed the U. C. Examination in English & Vernacular in 1878 & translation Lower & was entertained on Rs 15/- in 1884 as the Meteorological Observer, Rajahmundry. which was subsequently reduced to Rs 10/- which salary I received till it was abolished in January/98- Besides this I was also a Copyist in the District Court, Rajahmundry on Rs 10/-. Thinking that my post as Observer would last for ever I refused several offers in the Postal & other departments on Rs 15/- & upwards & almost all my class mates & persons of my status under the Educational Rules are now in good posts. But mine is a sad case & had it not been for the small pittance of Rs 10/- which I now receive from the District Court I & my poor family would have starved in these famine days.

It may not be out of place to state that I have been in Government Service since 1884 prior to 1894 when the present Educational Rules were put in force.

4. Under the above circumstances I now throw on your gracious honor's mercy having been repulsed everywhere to consider my poor case favorably & recommend me to the Government of India to exempt me from the operation of the present Educational Rules so that I may be able to get a pensionable post of Rs 15/- & upwards again in the Imperial branch. If this is not possible I further beg to venture so that your gracious honor may be pleased to favor me with the remuneration to which I am entitled to as I have put in nearly 14 years service in the Department & thus relieve me from this embarassing state to which I have been reduced owing to the sudden abolition of the observatory at Rajahmundry-

~~For which act of kindness and~~ charity I shall as in duty bound ever pray.

I beg to remain Most
Honored Sir,

Sir,

With reference to your No. 5228 of the 9th instant, I have the honor to inform you that as the Observer has no other pensionable appointment, his appointment as meteorological observer is, under the rules of the Financial Department a pensionable one & on the abolition of the observatory there will under the provisions of the Civil Service Regulations be no bar on the score of age to his obtaining a pensionable appointment if he wishes to have his service p/o the meteorological Department counted towards pension.

Sir,

In forwarding herewith letter No 3581 d/17-12-97 from the Meteorological Reporter to the Government of India regarding A. Mukunda Row late Observer of Rajahmundry whose services have been dispensed with owing to the abolition of the Observatory in January last & who is at present a Copyist in your Court, I have the honor to recommend that he may be provided with a Clerk's post in the regular establishment of your Court should a suitable Vacancy occur. He is hard working, intelligent & thoroughly honest & has given entire satisfaction both to myself as well as to my predecessors & I shall be very glad if he is favored with an appointment at the earliest possible

possible opportunity. He was in receipt of Rs 10/- a month as Meteorological Observer of Rajahmundry. As he has now lost the allowance of which he was in receipt for 14 years it is very hard on the man to maintain himself & his family on the paltry salary of a Copyist of the District Court, viz:- Rs 10/- a month & I hope you will be so kind as to do what you can for him.

His Excellency the Right Honorable

Governor of Fort St George in Council
Ootacamund.

The humble memorial submitted by Srigale S Mukunda Row Naidu enrolled Copyist District Court, Godavari, (late Meteorological Observer) Rajahmundry.

May it please your Excellency.

your memorialist was appointed Meteorological Observer at Rajahmundry in May 1884 on a salary of Rs 15/- per mensem. This salary he continued to draw until 1889 when it was reduced to Rs 10/- & in January 1898 his post was abolished.

2. Your memorialist has also been an enrolled Copyist in the District & Sessions Court, Godavari, since July 1889 & has often acted as a clerk in the same Court.

3. Your memorialist passed the U. C. S. examination in English in 1879 & if he continued to draw Rs 15/- a month as a Meteorological Observer until that post was recently abolished he would have now been eligible for

appointment

appointment to a post carrying the same pay or upwards. As, however, the memorialist was only drawing Rs 10/3 when his post was abolished, he is now precluded by the Public Service Notification from being appointed to a post carrying a salary of Rs 15/- or upwards. Counting on the permanence of the post of observer, your memorialist sought no other pensionable appointment and he now finds himself in a very unfortunate position.

4. Your memorialist therefore prays that your Excellency in Council may, in the peculiar & unfortunate circumstances of his case be graciously pleased to exempt him from the operation of the Public Service Notification, so as to render him eligible for appointment to a post carrying a pay of Rs 15/- per mensem or upwards.

5. For which act of benevolence your memorialist will ever pray.

Your memorialist begs to remain
Your Excellency's most obedient
& humble servant.

TO

THE Secretary to the Government of Madras, (Educational Deptt:) Madras

Dated Simla, the 8th October 1898.

SIR,

I have the honor to forward the enclosed petition from Mukund Row Naidu late observer at Rajahmandry. The abolition of the observatory at that station was sanctioned by the Government of India, Revenue and Agricultural Department in their letter No. 182-73-3 dated the 21st January 1898. The late observer wishes to obtain employment in some Government office but is barred by certain rules (termed Educational rule

1[illegible] OCT 1898

and prays that he may be specially exempted from these rules. I am not aware whether these rules are general in India or special to the Madras Presidency but as his case is a hard one, I forward it to the Government of Madras in the hope that it may relax the rules in his case so as to enable him to obtain a suitable employment in some Government office.
