No. 1557 OFFICE OF THE DIRECTOR OF

PUBLIC INSTRUCTION,

Madras, 24 Nov 1898.

No. 13385

From

THE HONORABLE MR. D. DUNCAN, M.A., D.SC., LL.D.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

THE SECRETARY TO GOVERNMENT,

Educational DEPARTMENT,

Fort St. George.

SIR,

The President, Taluk Board, Mannargudi, applied for a building grant towards the cost of construction of a school house for the Board of Lower Secondary school, Tirutturaippundi, in the Tanjore district. The plan and estimate, amounting to Rs 3450, forwarded by him were referred to the Superintending Engineer, who, in view of the above, furnished a fresh plan with estimate amounting to Rs 4500 for the work. As a portion of the building was intended for the accommodation of the lower primary department, which is not eligible for aid from provincial funds, a grant of Rs 1000 only was promised by the Department, on condition that the building should be constructed in accordance with the plan and estimate furnished by the Superintending Engineer. The building has since been

been completed and has been approved by the
Superintending Engineer.

2. As it is now proposed to utilize the building wholly
for the use of the lower secondary department, the
President requests that a full one-third grant on
the cost of the building may be given. I support
his request, and accordingly beg to recommend
that a grant of Rs 1500 be sanctioned for the building
under chapter VIII of the Grant-in-Aid Code.

3. The grant will be paid early next April, as the
current year's allotment for building grants
has been exhausted.

4. The approved plan and estimate and the
completion certificate of the building are submitted
for reference and return.

I have the honour to be,

Sir,

Yours most obedient servant,

S. S. S. S. S.

Director of Public Instruction.
