No. 9915

From

The Honorable Mr. D. DUNCAN, M.A., D.SC., LL.D.,
Director of Public Instruction,
Madras,

To

The SECRETARY TO GOVERNMENT,
Educational Department,
Fort St. George.

Sir,

In the reports on the working of the School of Arts during the last three years, attention has been drawn to the inadequacy of accommodation under which the school is suffering, and this inconvenience is being all the more keenly felt since the introduction of the aluminium industry into the school. Aluminium articles are now being turned out on an extensive scale and there is not sufficient space in which to exhibit them to the public to the best advantage. The question of considerably extending the present accommodation has to lie over, pending orders on the reorganization of the school. The best course, which is, at the same time, the most economical, therefore, seems to be to utilize for school purposes the quarters now assigned to the Superintendent. In that case, the Superintendent may be allowed a house rent allowance of Rs.50 per mensem which is the amount sanctioned in G.O.No 1242 Public, dated 20th November 1896. As a new Superintendent is shortly expected, I think that this is a fitting opportunity to make this arrangement, and I have the honour to request the sanction of Government for the same. The favour of very early orders is solicited.

I have the honour to be,
Sir,
Your most obedient servant,
D Duncan
Director of Public Instruction

Under his agreement the new Supt. will not be entitled to make use of the present residence in lieu of his allowance of Rs 50 for house-rent, even if he wishes to do so, and whatever rent he may choose to pay for a house he can draw only the Rs 50 agreed upon. ~~There can then be no objection to utilising the quarters for school purposes, but before this is done the D.P.I. should report how he proposes to utilise & forward a plan showing how the~~

But the matter can lie over as the Sec. suggests until I get to Madras.
