8th December 1897.

His Excellency, the Right Honourable
Sir Arthur Crichton Duff G.C.B. &c.
Governor of Madras.

The humble memorial of H. R. Venkataswamy Iyengar
Clark, Sub Registrar's office, Madraikaval.

Most respectfully Sheweth:-

That your excellency's humble
memorialist entered the Regis-
tration Department as temporary
Clark in March 1892 and contin-
ued as acting and temporary
Clark in Sub Registrar's offices
till he was confirmed in the
Scheme for the reorganization
of Registration Department
in June 1894 with retrospec-
tive effect from 5th February 94
and has continued in the Depart-
ment since.

2. That having applied for a
transfer or promotion from
this hill station he has been
favoured with an order that as
having passed only the
Middle School Examination
in the 1st Class and not having
held a 15 Rs place before 1st July 94
he

he is not eligible for promotion,
in Inspector General's Proceedings
Gk 6689 dated 27th October 97.
Such promotion having been
recently held by Government
to be opposed to the Public
Service Notification.

3. That your excellency's mem-
orialist begs to submit that the
Public Service Notification No.
56 dated 9th May 1894 and the
Subsequent ones do not bar the
promotions of Middle School
First Class men appointed
between January and June 94.
The note to the preamble runs
thus:- "The rules contained in
this Notification shall in no
wise affect the promotion of
persons who held permanent
appointments before they first
came into force on 1st July 1894
nor shall they apply to persons
acting in appointments for
which though qualified under
the rules in force on the 30th
June 1894 they may not be
qualified under the present
Notification such persons being
eligible for confirmation in which
they.

they are officiating if they fall permanently vacant before termination of the acting incumbency." As memorialist held a permanent appointment from the 5th February 91 (vide Para 1) there is no prohibition to his promotion and even holding that he was then only acting he was eligible to be confirmed and there is no express bar to his promotion.

4. That your excellency's memorialist was qualified to be appointed by the rules (Notification No 41 of 1891) previously in force to a post of Rs 15 and upwards before 31st December 1893 and that from April 93 to February 94 he was acting in Uttamapalayam and had he been left undisturbed by the transfer, which was not due to any fault on his part, to Melkottah he would have been confirmed with effect from April 93 (i.e.) before December 93 or if he had served in any other Department the pay of the last place would have been Rs 15 and he would have

But he was not appointed

have been confirmed, in either
of which cases, there would be
no question as to his eligibility
for promotion.

5. That your excellency's memorialist
list further begs to submit that
men not qualified according
to these rules who were appointed
subsequent to July 9th have been
exempted from the examination
rules by a subsequent Government
Order and that memorialist's
name was not submitted for the
exemption as his superior officers
seemed to have then held that
there was no bar to his promotion;
but as his case now seems to stand
now of inferior qualifications
appointed subsequent to 1st July
9th have been exempted from the
examination rules and are eligible
for promotion while strangely
enough he is debarred from promotion.
Your excellency's memorialist
therefore humbly craves that
your excellency will graciously
be pleased to take his pitiable
case into consideration and
remove the bar to his promotion
either by ruling ^{that} the Public
Service

case.

Service Notification does not
apply to his case or by exempting
him from the examination rules
in consideration of his long
Service of 5 years in the Depart-
ment or as was done to his junior
as referred to above and beg
leave to remain your excellency's

2. The memorialist, who has passed the Middle School Examination, was appointed as a clerk on Rs. 14 on the 6th. February 1894, and is still drawing the same pay. Even if he had been confirmed in 1893, he would still not be eligible for promotion to Rs. 15 and upwards under the Public Service Notification.

3. The exemption referred to in para 5 of the memorial was sanctioned in G.O., No. 465, Educational, dated 5th. June 1895, but the Government has since declared (G.O., No. 17, Educational, dated 13th. January 1897) that the exemption was never intended to apply to clerks who were not drawing Rs. 15 on the 1st. July 1894. Such of them as were promoted through a misapprehension to Rs. 15 and upwards subsequent to the 1st. July 1894 have been specially exempted from the operation of the Examination rules so far as to enable them to continue in their present posts by G.O., No. 619 Educational, dated 3rd. November 1897.

My dear Treimanbeare

Love refers I presume to Goddard & Reynolds instructors in Surveying & Engineering, to Hamilton who retires on furlough, & to Perkins the workshop instructor.

The questions regarding Goddard & Reynolds have been matter of correspondence between this office & the Chief Engineer. I have addressed Government on the subject, sending my letter through the Chief Engineer this morning.

Dear Duncan

I have today received the following telegram from the Executive Engineer, Bewdley

"Perkins appointed Boat Superintendent provided he can join by fourteenth February"
"Request your assistance in relieving him as early as possible"

I have telegraphed to him

My dear Treimanbeare,

Love tells me that the staff of the Engineering College will be utterly disorganized on the 31st Dec by the withdrawal of 4 of the principal instructors. But press orders are a representation on the subject which is now before it.

He says that he wrote to Duncan about the matter
