CHIEF SECRETARY
31 JAN 1898
GOVERNMENT OF MADRAS

Respected Sir

I beg respectfully to approach your honour with these few lines hoping you will dispose of my case favourably.

I have a great desire to join the Army subordinate medical service in the capacity of an Hospital assistant. In the last year's notification published in the Fort St George Gazette inviting candidates for the competitive examination for the selection of pupils for the Hospital assistants' grade, it is stated that those who have passed the Madras Lower Secondary examination are eligible to compete for the same. My father who was a record clerk of Railway Traffic Service at Erode died in the year 1891 and since then I had to live with my brother-in-law who was then employed in the Mysore state. Here I continued my studies and passed the Lower Secondary examination of that State in the year 1895. On his removal to Malabar where the vernacular language is Malayalam, I had to lose the Kanarese which I have learned from him in

for my education

I beg to enclose the reply of the Inspector General of education in Mysore contained in his letter No 8005/381 Dt 6th April 97 to my query whether the Mysore Lower Secondary examination will be recognised by the Madras Government as a qualifying test for admission into their service from which it will be seen that the Inspector General is of opinion that that examination is as difficult as the one held in Madras and he leaves the choice to the Madras Government.

Under these circumstances I beg respectfully to request that your honour will be pleased to recognise the examination which I have passed in Mysore State by permitting me to appear for that competitive examination which will be held in Madras this year

For which act of your honour's kindness I shall ever feel thankful I beg to enclose an half anna label for your kind reply

I beg to remain
Respected Sir
Your most obedient Servant
