By-laws of the Madras University.

FOR ORDERS.

H.E. The Govt. with ref. to remarks at flag E.

H.T. 14-2-99

The Syndicate submits for sanction

(1) thirteen new by-laws and

(2) certain alterations in existing by-laws.

2. The new by-laws are those numbered 284 (a), 284 (b), 284 (c), 284 (d), 284 (e), 284 (f), 284 (g), 285, 285 (a), 285 (b), 286, 286 (a) and 286 (b). They deal with the affiliation of Colleges to the University and have been framed with the intention of bringing them more effectively under the control and supervision of the University and into closer relations with it. In connection with this subject attention is requested to G.O. No. 617 Ed. dated 3rd October 1898 and the notes under cover (Flag Z) of that G.O., which dealt with the scheme for the management of the Victoria Students Hostel. In para. 2 of the G.O. the question of licensing Boarding houses for students was brought to the notice of the D.P.I., who stated that he did

vide D.O. d. 12th Oct. 99

did not know whether the University would do anything and did not think it could do anything except through the affiliated Colleges. The D.P.I. added that he was about to bring the question of revising and expanding the rules of affiliation before the Syndicate and that if a Committee of the Senate were appointed to deal with the matter the question of hostels or licensed boarding houses would be fully considered by it.

The first step taken by the D.P.I in the direction suggested by Govt. was in October 1930 when he invited the attention of the Syndicate of the University to the advisability of steps being taken to bring the affiliated Colleges into closer relations with and more under the supervision of the University. The D.P.I. pointed out that the rules of affiliation embodied in by-laws 233 -283 inclusive were inadequate and that the University scarcely did anything beyond examining its undergraduates. He himself doubted whether the University could do anything in the way of control directly but thought that it could do so indirectly through the affiliated Colleges. The D.P.I. referred to the system of recognition which is to schools what University affiliation is to Colleges and suggested that the University should revise and expand the rules of affiliation on the lines followed in Chapter II of the Educational Rules. The new by-laws now submitted are the result of nearly two years deliberation by the University on the suggestion of the D.P.I.

It will be noted that by-law 284 (f) deals with the question of students living with relatives or in hostels or approved rooms.

By-laws 284 (c), 284 (e), 285 (a) and 285 (b) are mere adaptations of corresponding articles in sections IV, VI and VII of Chapter II of the Madras Educational Rules, which deals with the conditions of recognition.

5. The alterations in existing by-laws, which are shown in italics, relate chiefly to the dates on which the Matriculation, the F.A. and B.A. Examinations are in future to be held and to the submission of certificates of conduct by candidates for examination.

The Matriculation and the F.A. Examinations are to commence on the 1st December instead of on the 15th December and the B.A. Examination on the 8th December instead of on the third Monday in January.

Candidates for examinations will have in future to produce certificates to show that their progress and conduct have been satisfactory.

6. The only by-law which calls for special notice at present seems to be that numbered 150. The following clause which finds a place in the existing by-law has been omitted therefrom.

"Before a candidate who has failed in any division or divisions presents himself for re-examination he shall, unless specially exempted from so doing, produce a certificate or certificates of

* Except in the case of certificate forms in By-Laws 288 in which the changes are printed in Roman capitals

having subsequently attended during two terms, at an authorized College or Colleges the prescribed course of instruction in the division or divisions in which he has failed."

The omission of this clause was proposed by the University in November 1896; but in G.O. No.37 Ed. dated 19th January 1897, Govt. deferred passing orders in the matter, pending disposal by the Senate of the question of the relations of the affiliated Colleges to the University. Please see the notes of I.M.S. in G.O. No.37 Ed. dated 19th January 1897 (Flag E).

Flag E

The action of Govt. in the matter formed the subject of questions at two meetings of the Legislative Council. Vide page 153 of the Council's Pros. for 1897 and page 15 of the Pros. for 1899.

The Senate has now passed a resolution in support of the omission and it is communicated to Govt. in C No.1667-Vide Resolution XX.

5. The D.P.I. to whom the alterations in, and additions to, the by-laws were referred, recommends them for sanction. It will be noted that it was the D.P.I. who recommended in 1896 that the Govt. should withhold its sanction to the proposed omission of clause (d) in by-law 150. No such recommendation is now made and he is apparently in favour of the Senate's action.

Orders are solicited as to whether the by-laws may be approved.
