India 9016/98.

Sir,

In reply to your letters No.747 of the 29th November last and No.782 of the 17th ultimo, I am directed to inform you that His Excellency the Governor thoroughly endorses the views expressed regarding the dismissal of students from the Madras Medical College.

2. In reply to the several points raised by the Government of Madras, I am directed to inform you that

(a). that, in future, students will be granted a pre-colle to training for one year before being sent to the College as students, and that they will be required at the end of 6 months and again after 12 months pre-collegiate training, to pass examinations to show their fitness for further education at Government expense;

(b).

The Secretary to the
Government of Madras,
Educational Department.

(b). no student will be sent to the College who is not at least 17 years of age; M

(c). the cost of the necessary text books will be defrayed by this Government at the beginning of the 1st and 3rd year of training. In the event of failure to pass the prescribed examinations the students will be required to refund the cost of or return the books at the option of Government;

(d). the Rules of dismissal enclosed in the letter of the Director of Public Instruction have His Excellency's full approval;

(e). His Excellency is of opinion that there is no necessity to detain students who may be dismissed by the management of the College pending reference to this Government, but considers that such students should be at once sent back to this Colony.

3. A copy of this correspondence will be forwarded to the Resident General of the Federated Malay States who will be informed that His Excellency the Governor fully concurs in the dismissal of the three students whose conduct has given rise to this correspondence.

4. I am further to express His Excellency's thanks to the Government of Madras for the trouble taken in this

matter and for the suggestions offered.

I have the honour to be,

Sir,

Your obedient servant,
