Resolution.

The Board begs leave to address Government in the matter of the creation of a reserve of deserving Petty Officers and others exempted from the examination rules for the purpose of filling acting and temporary vacancies in the class of Sub-Inspectors. A proposal to this effect was made by one of the Deputy Commissioners some years ago but was negatived by the Board which was then of opinion that exemptions should be applied for only on the personal knowledge by the Deputy Commissioner of the officer in question, that it was unwise to exempt more men than were actually necessary to fill the vacancies existing at any given time and that the grant of any general exemption would remove all stimulus to qualify.

2. Since then the question has again been mooted by each of the Deputy Commissioners individually and the Board, in ^{deference} ~~deference~~ to their strong and spontaneous expression of opinion, has reconsidered it. As the Deputy Commissioners point out, acting vacancies in

the Sub-Inspectors' class are of frequent occurrence and temporary men are ^{Continually} ~~continuously~~ wanted, as for instance in the Vizagapatam, Godavari and Malabar districts and the Javadi Hills. These places must be filled promptly if work is to go on, and that either by outsiders, clerks or Petty Officers. Outsiders are seldom obtainable, and if obtained are almost always useless. Clerks, owing to the peculiar constitution of the department, cannot be moved for short vacancies. The increase of pay is insufficient to recompense them for the move, their removal disorganizes the office and they are exceedingly difficult to replace. There remain only the Petty Officers, who are easily spared and well qualified for the work. So long, however, as an application for exemption has to be made to Government in each individual case prior to appointment, delays in filling ~~the~~ vacancies are inevitable and correspondence is largely and unnecessarily increased. Nor does the Board now think it wise to insist, as it ^{did} ~~used~~ on the former occasion, that men should be exempted only on the personal recommendation of the Deputy Commissioner, and that all who have once been exempted should be employed before other names are sent up. The Deputy Commissioners can only know a small number of the Petty Officers in their Divisions and the men they do not know are, under the existing system, ~~and~~ utterly debarred, those on the other hand who have been exempted at their instance are liable to constant and lengthy transfers from one acting vacancy to another.

3. In these circumstances the Board thinks it best to accept the

unanimous recommendation of the Deputy Commissioners, viz, to permanently exempt Petty Officers who are considered by their Assistant Commissioners fit for employment in acting vacancies, the special attention of the Deputy Commissioners ~~having~~ ^{being} drawn to them when inspecting the Circles in which they are employed, and to authorize Assistant Commissioners, under the sanction conveyed in Government Order No. 4716, Revenue, dated 1st December 1898, to fill acting vacancies by the appointment of Petty officers in their Sub-Divisions who are on the exempted list. Provided that no permanent appointment as Sub-Inspector shall be conferred on an exempted Petty Officer without prior sanction of the Board and that exempted Petty Officers who are tried and found wanting are not to be tried again.

4. A list of Petty Officers recommended for exemption under the conditions above stated is herewith submitted for approval. The names of one attender and one shroff who are also considered fit for Sub-Inspectors' posts, but are not qualified according to the Examination rules, have been added.

SUBJECT.

Exemption from the Examination rules of certain petty officers employed in the Salt & alkali departs.

FOR ORDERS.

The Board of Revenue applies for the permanent exemption from the examination rules of 63 petty officers now employed in the Salt & alkali departs with a view to appoint them as Sub. Inspectors when acting and temporary vacancies occur. These are considered fit for employment in acting vacancies, by their Assistant Commrs and acts form a reserve from which ^{such} appointments have to be made. ^{as sub Inspectors} No permanent appointment will be conferred on any of them without prior sanction of the Board and any of them tried & found wanting will not be tried again.

2. Of the 63 men, 42 have already ^{temporarily} been exempted ~~on~~ on one or more occasions for various reasons.

as made by one of the Deputy Commrs. Some time ago but was negatived by the Board on the ground that exemptions should be applied for only on the personal knowledge by the Deputy Commr. of the officer in question, that it was unwise to exempt more men than were actually necessary to fill existing vacancies & that the grant of any general exemption would remove all stimulus to qualify. His resolution is now reconsidered in consequence of strong & spontaneous expression of opinion in favour of the exemption, by each of the Deputy Commrs.

4. Temporary men are frequently wanted & vacancies which must be ~~promptly~~ promptly filled up have therefore to be conferred on outsiders, Clerks or Petty officers. Outsiders are seldom obtainable & if obtained are almost useless & Clerks cannot be stated be moved for short vacancies & even if moved, they are difficult to replace. Petty officers on the other hand are well qualified and can be easily spared but individual application for exemption causes delays & increases correspondence.

5. Orders are solicited. The application ~~is made of requisition and even~~ ~~as a matter of administration~~

Yps. This is a common sense proposal.
