as to whether the

exemptions may be granted?

The first man for whose exemption application is made has passed the Lower Secondary examination & has a service of 2 years & 10 months. His pay is Rs 12-0-17. It is stated that passed men are available but that they are not likely to serve long as there is no prospect of promotion.

The second man has not passed any examination but has studied up to the V. Form. He has a service of nearly 2 years and his present pay is Rs 12-0-15.

The Principal librarian thinks that the appointment of these men in the more advantageous to the Library & to the public than the employment of new hands. (Please see remarks in Col. 8)
