OFFICE OF THE DIRECTOR OF

PUBLIC INSTRUCTION.

Madras, 10 February 1898

No. 1653

From

THE HONORABLE MR. D. DUNCAN, M.A., D.SC., LL.D.,

DIRECTOR OF PUBLIC INSTRUCTION.

Madras.

To

THE SECRETARY TO GOVERNMENT.

Educational DEPARTMENT.

Fort St. George.

SIR

Consequent on the development of the Surveyor class of the College of Engineering into a class for Sub-overseers and Surveyors, an examination for Surveyor Certificates under the former rules was held for the last time in December 1897, and due intimation of this fact was given to all independent Surveyor candidates by the Principal of the College by a notification in the Fort Saint George Gazette. Vide the notice at page 221, Part I-B of the Gazette, dated 13th April 1897. In September 1898 four independent Surveyors candidates petitioned me in view to allowing them to appear for the Final Examination for Sub-overseers and Surveyors as at present conducted, or to reviving the old certificate Examination for Surveyors, temporarily for two years at least, on the ground that several candidates like themselves were not able, on account of their employment on famine duty, either to avail themselves of the Examination of December 1897 or to profit by it. Thereupon I published a notice in the Gazette (vide page 674 Part I-B of the Fort Saint George Gazette dated 20th December 1898 and the two subsequent issues) calling for information as to how many of the candidates similarly circumstanced would be willing to take advantage of a special examination for certificates as Surveyor, if one could be arranged for, it being inadvisable

to admit them to the Examination for Sub-overseers and Surveyors without a certificate of attendance in the class as at present constituted. In all, seven candidates have applied for the examination and a few more may be forthcoming if sufficient notice is given them. In these circumstances I beg to recommend that sanction be accorded to the holding of a special examination for certificates as Surveyors in December next on the lines of the examination held in December 1897, the candidates being given distinctly to understand that no further examination of the kind will be held after December 1899 under any circumstances whatever.

The acting Principal, College of Engineering, whom I have consulted, thinks with me that the petitioners' case is deserving of consideration.

2. The proposal made above will not involve the preparation of any fresh papers in connection with the special examination nor any extra cost, as the papers set by the Board of Examiners for other College Examinations held at the same time may be utilized for the special examination and as the examination fees of the candidates are expected to cover the remuneration paid for valuing the answers. The Examination, if sanctioned, will, as hitherto, be held in Madras only.

I have the honour to be,

Sir,

Your most obedient servant,

J. G. ...

Director of Public Instruction.
