GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—again the following papers :—

G.O., Nos. 480, 481, Financial, dated 26th May 1898.

ABSTRACT.—Ordering that the Government of India be informed that this Government considers that the officers specified in the appendix to these proceedings should be added to the list of offices, services or departments in paragraph 5 of Government of India Resolution, No. 2422-Ex., dated 31st May 1897.

G.O., No. 1081, Financial, dated 19th November 1898.

ABSTRACT.—Communicating to the departments of the Secretariat resolution of the Government of India issuing certain further orders as to what are the appointments by virtue of holding which an officer appointed in India, not being a Statutory Native, becomes entitled to exchange compensation allowance, and directing the republication of the resolution in the *Fort St. George Gazette*.

READ—also the following paper :—

From W. S. MEYER, Esq., Deputy Secretary to the Government of India, Finance and Commerce Department, to the Chief Secretary to the Government of Madras, dated Calcutta, 31st January 1899, No. 463-Ex.

I am directed to acknowledge the receipt of your letter No. 481, dated the 26th May 1898, forwarding a list of offices, services and departments to which, in the opinion of the Government of Madras, the concession of exchange compensation allowance should be attached.

2. In reply, I am to refer you to the resolution in this department, No. 4847-Ex., dated the 5th November 1898, and to convey the following orders regarding the appointments and services which are not covered by the orders contained in that resolution.

3. The Government of India agree that the appointments of (1) British Consular Agent, Pondicherry, (2) Matron Superintendent and (3) Assistant Matron Superintendent, General Hospital, are appointments in which European qualifications are indispensable and Europeans holding these appointments may be admitted to the allowance if personally eligible, that is, if not barred as Statutory Natives of India.

4. All the ordinary officers of the Revenue Settlement department are now apparently natives, and the Government of India cannot therefore admit that the department is one in which a proportion of Europeans is indispensable. This decision will not, however, affect the claim to the allowance of any member of the Indian Civil Service who is, or may hereafter be, employed on special Settlement duty.

5. The Madras Survey department is not, like the Survey of India, divided into an Imperial and a Provincial service, and the orders in paragraph 31 of the resolution in this department, No. 4847-Ex., dated the 5th November 1898, do not therefore cover it. The rule in regard to the Madras Survey department should, the Government of India consider, be that eligibility for exchange compensation allowance shall be confined to those of its European officers who were admitted to a grade not lower than that of Assistant Superintendent either direct or after a short term of training or probation.

6. As regards the appointments of Principal and Instructors, College of Engineering, which appear to be held by officers of the Public Works department, the claim of the incumbents must, the Government of India think, be determined by the orders applicable to the Public Works department.

Ordered that copy, with a copy of the letter replied to, be forwarded to the Home and Revenue and Agricultural Departments and the Accountant-General, Madras.
