Sir,

1. I beg to acknowledge receipt of the Order of Government Educational Department, dated 31st January 1899 No. 50 with the draft Notification in the Matter of the Kumbakonam Hostel and letter dated 23rd November 1898 No. 951 from the Acting Collector of Tanjore to your address.

2. I forward herewith a fresh draft of the Notification in which I have mentioned, as to be vested in the Treasurer of Charitable Endowments, only the two Government Securities mentioned in the Collector's letter and the net amounts of interest and cash also mentioned in that letter.

3. In para 1 of the 2nd Schedule to the Notification, I have provided for not only the interest on the Government Securities but also their sale proceeds, as well as the two sums of cash, being applied towards the erection, construction, maintenance, upkeep &c of the Hostel. As however the whole of the sale proceeds of the two Government Securities mentioned in the first Schedule may not be required all at the same time for these purposes, I have included other Government Securities in this provision, so that should, say, the Security for Rs 25000 be sold and part of the proceeds be invested in other securities or if the two securities mentioned in the first schedule should be exchanged for other securities, this provision may apply also to any such other securities.

4. In para 3 of the order it is stated that, in paragraph 6 of the 2nd schedule for "Collector" should be substituted the word "Sub-Collector". I have made this alteration and paragraph 6 of the 2nd

schedule now provides that the Sub-Collector for the time being -
of the District of Tanjore shall be chairman of all meetings of -
both the Executive and General Committees. But this is not consis-
tent with paragraph 3 of the 2nd Schedule, which provides that -
the Collector for the time being of the District of Tanjore and -
the two gentlemen named, shall form an Executive Committee and -
the Sub-Collector is not on the Executive Committee. I have there-
fore, in paragraph 3 of the 2nd schedule, substituted the word -
"Sub-Collector" for "Collector". I would however point out that
though the Sub-Collector is to be Chairman of the meetings of the
General Committee, the Collector is to be a member of the General
Committee while the meetings of that Committee are to be presided
over by the Sub-Collector and I am not sure that this is the
intention. Paragraph 6 of the 2nd schedule might provide that the
Collector or in his absence the Sub-Collector shall be chairman -
of the meetings of the General Committee and that the Sub-Collector
shall be chairman of the meetings of the Executive Committee.

5. I return the Collector's letter and

I have the honor to be
Sir

Your Obedient Servant

The Tanjore Jubilee Fund

FOR ORDERS

*Please see G.O. no 50 of dt 31st
Jan^y 1899 (Flag N) and the note stitched
with it.*

*The Govt. Collector has revised the
draft notification creating the Tanjore Jubilee
Fund in the Treasurer of Charitable Endowments
in accordance with the instructions given in that
G.O. and in doing so has made the following
further alterations in the draft:-*

*(1) Para 1 of the second schedule. As to whole of
the sale proceeds of the securities now standing
to the credit of the Fund may not be required
all at once for the construction of the hostel
buildings, in addition to the cash in favour of the
fund and the Govt. grant; it has been provided
that any other securities which may be purchased
with the sale proceeds may be ^{also} used for the
construction and maintenance of the Hostel.*

(2) Para 3 of the same schedule. The word Sub-Collector

*to be held in the Treasurer
of Charitable Endowments*

has been substituted for Collector in this paragraph also.

The Govt. Solicitor points out however that the Collr. will now be only a member of the General Committee while the Sub Collr. will be Chairman. As he is not sure whether this was intended he suggests that in para 6 of the second schedule provision may be made for the Collector or in his absence the Sub Collector being the Chairman of the General Committee. Para 7 of the original note seems to show that the intention was to require the Sub Collector to preside at meetings of the Executive Committee only. The suggestion of the Govt. Solicitor may therefore be approved.

This was the intention

3. The notification has now to be sent to the Jubilee Committee and the Trustees for approval and when this is done they may be asked as suggested in para 7 of the previous note to state whether the unofficial members named by the Collector are able and willing to serve on the Executive Committee and if not to suggest the names of two persons who will do so.

The full names of the persons recommended are also required for filling up the blanks in the second schedule.
