OFFICE OF THE DIRECTOR OF

PUBLIC INSTRUCTION,

Camp. Viragapattinam, 19th February 1899.

No. 73.

From

THE HONORABLE MR. D. DUNCAN, M.A., D.Sc., LL.D.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

THE SECRETARY TO GOVERNMENT,

Educational DEPARTMENT,

Fort St. George.

SIR,

I have the honour to report that the strength of the fourth and fifth forms of the practical section attached to the Training College, Rajahmundry, is at present 90 and 80, and there is a prospect of the numbers increasing further. Last year the above forms contained 82 and 47 pupils on the rolls, respectively. The fourth form was taught in two sections last year, and the same course has to be adopted in the fifth form also this year. The Principal of the College applies, therefore, for the immediate services of an additional assistant on a salary of

3
per mensem, to be in charge of one of the sections of the fifth form. I have the honour, accordingly, to request the very early sanction of Government to the entertainment of an extra assistant on Rs 60 per mensem, the minimum salary for which the services of a trained L.T. can be had, temporarily till the 31st December 1899, the extra charge being met in the absence of provision in the budget estimate for 1899-1900 from the additional fee receipts, which are likely to amount to nearly Rs 1,500, or by re-appropriation from the allotments under any of the sanctioned heads in the above budget. A similar proposal was sanctioned by Government in its order No. 162, Educational, dated 14th March 1897. Care will be taken to see that the salary of the new assistant for a portion of the current month is drawn after the close of the current year.

2. As the work of the high school department is suffering greatly for want of an additional I am instructing the Principal to engage a

4
a qualified man in anticipation of the sanction of Government.

3. The necessary statements will be submitted, through the Accountant-General, on receipt of the orders of Government on this letter and of information from the Principal as to the date of employment of the new assistant.

I have the honour to be,
Sir,

Your most obedient Servant,

D. D. D. D.

Director of Public Instruction.

Financial Department

Note.

The Director of Public Instruction has promised a report later on the cost on account of the additional assistant during the current year. On receipt of this information the amount will have to be reappropriated from savings under some other major Head, as the revised estimate for the current year under 22 Education is Rs 35 lakhs in excess of the grant.

2. As regards next year, the assistant will be retained till the end of December 1899, and the charges amount to Rs 600. Submitted that the charge being a small one, India need not be requested to include it in the budget it is now considering and that the question of reappropriation may be considered in due course.

3. The order in the Education Dept. will have to be commd to

10 x 50 = 500

to the financial dept for
communication to the aut.
General.

It might be possible not to
the D.P. that report
which is not budgeted for
cannot be met from increased
receipts
