MARCH.

Pay Bills.

Approving the Accountant-General's suggestions regarding the preparation of — for the stipendiary students in the Medical College and other institutions, and ordering their adoption in future.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following papers:—

From M.R.Ry. G. VENKATARATNAM Pantulu Garu, Vice-President, District Board, Gódvári, to the Principal, Medical College, Madras, dated 5th August 1898, Dis. No. 1181-D.B.

In reference to article 249 of Local Fund Code, I have the honour to request that you will be good enough to prepare and submit monthly a consolidated stipendiary bill of the medical students undergoing training in your college so as to reach this office in the first week of each month.

From Lieutenant-Colonel W. R. BROWNE, M.D., I.M.S., Principal, Medical College, to the Vice-President, District Board, Gódvári, dated Madras, 16th August 1898, No. 980 M.

[Your No. 1181-D.B.]

In reply to the above, I have the honour to inform you that the pay bills on behalf of Board's pupils are not made out and sent from this office. When any recoveries are to be effected any month on account of absence, &c., of the pupils, timely intimation is given to the authorities concerned to enable them to remit the actual amount due to pupils. The undersigned therefore regrets his inability to forward monthly bills as required.

As we have no copy of the Local Fund Code available here, it is not known what article 249 therein states.

From M.R.Ry. G. VENKATARATNAM Pantulu Garu, Vice-President, District Board, Gódvári, to the Principal, Medical College, Madras, dated 22nd August 1898, Ref. on Cur. No. 1650-D.B.

Adverting to your reference No. 980 M., dated the 16th instant, I have the honour to enclose a copy of article 249 of the Local Fund Code, and to request again that you will be good enough to cause the pay bills of this Board's pupils undergoing training in your college prepared in your office in future.

From Lieutenant-Colonel W. R. BROWNE, M.D., I.M.S., Principal, Medical College, to the Vice-President, District Board, Gódvári, dated Madras, 2nd September 1898, No. 1076 M.

I have the honour to inform you that as the rules in Local Fund Codes do not govern this office, I regret my inability to prepare and forward the pay bills of your Board's pupils as requested.

Ref. on Cur. No. 1650-D.B. of 1898.

Submitted with the previous correspondence to Government in the Local and Municipal Department for favour of orders. If the bills in question are not to be prepared by the Principal of the Medical College, article 249 of the Local Fund Code will have to be modified accordingly.

10th September 1898.

(Signed) VERNOR A. BRODIE,
President, District Board.

No. 1168.

Referred to the Accountant-General for remarks.

(By order.)

15th October 1898.

(Signed) A. EDGINGTON,
Acting Assistant Secretary.

From T. HESKETH BIGGS, Esq., Accountant-General, to the Secretary to Government, Local and Municipal Department, dated Fort St. George, 16th January 1899, No. 693.

With reference to your endorsement, No. 1168, dated the 15th October 1898, on a letter from the President, District Board, Gódvári, I have the honour to state that in my opinion the pay bills should be prepared in the office where the stipends are disbursed. Local bodies contribute towards the cost of the Medical College, and I do not think it is unreasonable to expect the college authorities to prepare the bills of the students under training. For Local Fund audit purposes the receipt of the Principal is required, as well as a certificate that he has paid the stipends drawn in the last preceding month, and this can be most conveniently arranged, if the bills are drawn by the Principal, as the certificate is printed on them.

2. If this view is accepted, I would suggest the issue of general orders, as there is at present some want of uniformity. Besides the Medical College, there are other institutions where Local Fund and Municipal students are trained, such as the Teachers' College, Government Maternity Hospital, &c., and a general rule on the subject seems desirable. It may be laid down that a consolidated bill should be prepared and despatched on the last day of the month for the students belonging to each local body, and that the latter should take steps to pass them and remit the money without delay.

ORDER—No. 488 L., dated 2nd March 1899.

The Accountant-General's suggestions are approved and should be adopted in future.
