Copy of a letter from the Chief Engineer,
Chingleput Division, to the Supty. Engineer,
5 Circle, N. 3218 S. dated 16 November 1898.

A
I have the honour to forward an extract
from the Examiner's list of disallowances from
the Salary bill of this division for August 1898
pointing out that the increase of pay sanc-
tioned for the Storekeeper, in G.O. N. 1400 W,
dated 3rd June 1898 may be claimed on behalf
of P. Appadurai Mudaliar the present in-
cumbent after obtaining your approval thereof.

B
2. Appadurai Mudaliar is however an un-
passed man exempted for his present pay of
Rs 20 ^{as} ~~or~~ Storekeeper 2nd Class, in G.O. N. 683 W,
dated the 5th March 1887, and I believe formal
sanction of Government will be necessary to his
exemption up to Rs 30 - the pay sanctioned
for his present appointment in the revised
scale, and I request that this sanction
may be obtained.

N 733 W

Submitted to the Chief Engineer,
P.W. Department for favour of obtaining sanction
The pay of the Storekeeper, Chingleput

Division

Dec 1 / 1898

Division was raised from Rs 20 to Rs 30 per
mensem in the revised scale of establishment
sanctioned in G.O. N. 1400 W. dated 3 June 1898
for the combined Chingleput and Buckingham
canal divisions, owing to the increased res-
ponsibility devolving on him.

The present incumbent Appadurai Andelias
was exempted in G.O. N. 683 W. dated 5 March
1887 for the Storekeepers' post carrying, at
the time, a salary of Rs 20. He has worked
satisfactorily and has always been recom-
mended. As the pay of the appointment
has now been raised to Rs 30, sanction to his
exemption for holding the same appointment
on the higher rate of pay is solicited.

READ—the following paper:—

Office-note from the Examiner, Public Works Accounts, dated Madras, 8th August 1898, No. 953 A./E.

I herewith forward, for information, a statement comparing the existing establishment with the revised scale sanctioned in G.O., No. 1400 W., dated 3rd June 1898, for the combined Chingleput and Buckingham Canal division, showing the following as supernumerary:—

1 Clerk, 5th class, 1st grade. | 2 Peons on Rs. 6 per mensem.
1 Draftsman, 1st or 3rd class. | 1 Sub-overseer, 1st grade.

2. In paragraph 1 of the Government Order quoted, 3 draftsmen have been sanctioned in lieu of 4 draftsmen applied for as noted in the margin, but the classes of draftsmen sanctioned are not specified, and I would request that this may now be done.

3. One peon on Rs. 7 stands against a peon on Rs. 6 per mensem for a Sub-divisional office—*vide* item (e) in column "Remark" of the statement. Please state whether the difference of Re. 1 may be treated as a personal allowance.

4. Please also state whether the increase of the pay of store-keeper from Rs. 20 to Rs. 30 per mensem as applied for has been sanctioned, and if so from what date.

ORDER—No. 2196 W., dated 30th August 1898.

The following information will be furnished to the Examiner, Public Works Accounts, with reference to the points raised in his office-note read above, in connection with the revised scale of establishment sanctioned in G.O., No. 1400 W., dated 3rd June 1898, for the combined Chingleput and Buckingham Canal division:—

(a) The draftsmen sanctioned for the combined division are of the classes specified below:—

1 Draftsman, 1st class. | 2 Draftsmen, 3rd class.

(b) The Examiner points out that a peon of the existing establishment, drawing Rs. 7 per mensem, counts against a peon on Rs. 6 provided for a Sub-divisional office in the revised scale. The difference of one rupee will be treated as a personal allowance.

(c) The pay of the store-keeper has been raised from Rs. 20 to Rs. 30 as proposed by the Superintending Engineer, V Circle, in his letter, No. 218 W., dated 29th March 1898, and this increase will have effect from the date of the order sanctioning the revised scale.

(d) In a separate communication, the Superintending Engineer states that the two supernumerary peons on Rs. 6 in the Division office have since been absorbed.

2. The Examiner will submit a final list of supernumerary hands in the division on receipt of the information called for from the Executive Engineer, concerning the 2 clerks, 5th class, 1st grade, shown under Divisional office.

3. A draftsman, 1st class, and a sub-overseer, 1st grade, are apparently supernumerary. Till they are absorbed into other divisions, they should, if possible, be employed in the place of temporary establishment.

READ—the following papers:—

From the Superintending Engineer, V Circle, dated 4th February 1898, No. 70 W.

From Colonel C. C. Rawson, R.E., Superintending Engineer, V Circle, to the Chief Engineer, Public Works Department (through the Examiner, Public Works Accounts, Madras), dated Chepak, 29th March 1898, No. 218 W.

Referring to your Memo. No. 1014 C., dated 19th February 1898, I have the honour to submit herewith the proposition statement therein called for showing the existing scale of establishments of the Chingleput and late Buckingham Canal division and the establishment proposed to be retained for the combined division, and to request that sanction of Government may be obtained thereto.

2. I concur with the opinion of Mr. Davidson that the pay of the storekeeper of the newly constituted division should be raised to Rs. 30, as he has to take care of and account for a much larger quantity of tools and plant than he had while as storekeeper of the Chingleput division alone.

3. I enclose, for your information, copy of letter No. 4018, dated 21st March 1898, from the Executive Engineer, Chingleput, bearing on the subject.

ENCLOSURES.

From J. P. DAVIDSON, Esq., Executive Engineer, Chingleput Division, to the Superintending Engineer, V Circle, dated 21st March 1898, No. 4018.

With reference to Chief Engineer's Memo., No. 1014 C., dated 19th February 1898, communicated with your No. 113 O. N., dated 25th February 1898, I have the honour to submit herewith a proposition statement in the prescribed form showing the establishment proposed to be retained for this division and to request that sanction of Government may be obtained thereto.

2. The head clerk of the old Chingleput division has lately been transferred to the workshops, but in other respects the strength of the establishment is as described in my letter No. 3295, dated 27th January 1898.

3. I would also draw attention to the pay of the storekeeper, the pay in the Chingleput division (old) was Rs. 20, while the pay of the Buckingham Canal division was Rs. 30. I am of opinion that the pay of the storekeeper of the newly constituted division might well be put at Rs. 30, and I have entered this sum in the proposition statement.

4. I have in this statement allowed 1 first class and 1 second class draftsman, whereas there are at present actually 2 first class draftsmen in the office. The extra first class one of the Buckingham Canal can, no doubt, be absorbed later on into some other division, and a second class man posted to this division.

From the Examiner, Public Works Accounts, dated 6th April 1898, No. 450 A.E.

ORDER—No. 1400 W., dated 3rd June 1898.

The proposition statement for the establishment required for the combined Chingleput and Buckingham Canal division, submitted by the Superintending Engineer with his letter recorded above, provides for the amalgamated Divisional office, 8 clerks, 4 draftsmen and 3 peons under office establishment, and 1 storekeeper and 5 peons under petty, — a staff which is in excess of that sanctioned for any other division in the Presidency. After giving due weight to the representations of both the Executive and Superintending Engineers, His Excellency the Governor in Council considers that 8 clerks, 3 draftsmen and 2 peons under office establishment, and 1 storekeeper and 3 peons under petty, are a liberal allowance, and that sanction to the retention of 2 clerks and 1 draftsman under temporary establishment approved in previous years is no longer necessary.

2. The Government is of opinion that 3 Sub-Overseers will be sufficient for all requirements, work in the Buckingham canal being much reduced and that 1 Sub-Overseer, 1st grade, is unnecessary.

3. The existing sub-divisional conservancy and toll establishments will remain unaltered.

4. The corrections pointed out by the Examiner have been carried out in the column "Proposed scale" also.

5. Until the supernumerary hands are absorbed into other divisions, the services of such men should be utilized wherever they can be employed in the place of temporary establishment.

6. The sanction accorded in paragraph 1 has been registered as Provincial No. 20 W. of 1898-99 and classified as Establishment — Permanent.
