OFFICE OF THE DIRECTOR OF

PUBLIC INSTRUCTION,

Madras, 23 March 1899.

No. 3539

From

G.H. Stuart, M.A.,
THE HONORABLE MR. D. DUNCAN, M.A., D.Sc., LL.D.,

AG. DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

THE SECRETARY TO GOVERNMENT,

Educational DEPARTMENT,

Fort St. George.

SIR,

With reference to G.O. No 114, Educational, dated 24th February 1899, I have the honour to state that the proposal of the district board, Madura, to hand over the training section of the Technical Institute to Government is the result of a suggestion made by the Honourable Dr. Duncan in his review of the inspection reports on the Institute for 1897-98. The above suggestion was made with the object of bringing the only two training schools in the Presidency which continued under board management, viz, those at Tinnevely and Madura, under the direct control of the Department so that the funds thus set free may be devoted by the district ^{boards} concerned towards the development of the industrial section for which additional funds were necessary. Both the above district boards accepted the suggestion thus made, but as the necessary funds could not be found for converting both the training schools into Government institutions during 1899-1900, the training section of the Technical Institute at Tinnevely alone has, with the sanction of Government, been recently taken charge of by the Department, while the President, District Board, Madura has been informed that the proposal to work the training section of the Madura Institute as a Government School must stand over till the beginning of 1900 and that the necessary provision will be made in the departmental budget estimate for 1900-1901. The Inspector of schools, Southern Circle, has also been instructed

to submit proposals for working the above training section on the lines of the other Government training schools, and on receipt of his report, an application will be made to Government for permission to make the necessary provision in the budget estimate for 1900-1901.

I have the honour to be,

Sir,

Your most obedient servant,

G. H. Sheel

Ag. Director of Public Instruction.
