(Education)

Calcutta, the 20th March 1899.

Sir,

May D

In reply to your letter No. 74, dated the 11th February 1899, regarding the revised rules for the admission of candidates to the Thomason Civil Engineering College at Roorkee, I am directed to explain that the inference drawn by the Secretary of State in paragraph 4 of his Despatch No. 27, dated the 25th August 1898, appears to relate only to the ineligibility of students in one province to compete for the guaranteed appointments allotted to the Engineering College of another province. It does not seem to the Government of India that it is His Lordship's intention to exclude students coming from the Travancore, Cochin, Puddukottai and Mysore States from competing for guaranteed appointments in the Madras College.

I have the honour to be,

Sir,

Your most obedient Servant,

H. Luson.

Depy. Secretary to the Government of India.
