Enclosure 5090 on 31-10-99

Government College, Mangalore,

19th November 1898.

From The Secretary,

Hensman Prize Fund, Mangalore College.

To

The Director of Public Instruction.

Sir,

In behalf of the students of the Government College, I beg to enclose a copy of the resolutions in connection with the Hensman Prize and to ^{submit} ~~submit~~ the following.

About the time of Mr. Hensman's departure from here, the students of the 8th, 7th and 6th classes got up separate subscriptions for the purpose of taking group photographs; but the total amount subscribed being fairly large it struck them, that it could be more usefully utilized for a prize. The students' subscriptions were subsequently to some extent supplemented by those of some of Mr. Hensman's friends who willingly came to their help. The total amount collected is Rs. two hundred and ninety three (Rs 293). I therefore beg you will kindly accept the amount and be the trustee.

I further beg to say that this is the second prize, the students of the College have instituted, the first being the Lord Wenlock prize for which they got together more than five hundred rupees. As the sum subscribed on the present occasion is considerably smaller, I am asked by the students to seek Government aid. May I therefore beg you will grant such aid, as is allowable under the grant-in-aid rules? You will observe from the conditions of the prize that they have been laid down in a very liberal spirit and the prize is open to all schools in ^{the} ~~this~~ town. The students would have been glad to make it open to all schools in the district were it not for a slight inadvertance originally made.

I have &c &c
