on the Petr's previous application (No. 144 SD & 9.3.97. KapB).

He has since been promoted to the grade of a Tahsildar of the Collector Mr. Shipley very strongly supports the present application.

The man has a good reputation, but so have plenty of other men in similar position. There does not seem to be any very special reason for exception.

TOWN DY. TAHSILDAR & 2ND

CLASS MAGISTRATE,

TRICHINOPOLY.

To

THE COLLECTOR

OF TRICHINOPOLY.

SIR,

I beg very respectfully to request that you may be pleased to submit my following application for the favourable consideration of Government under G.O. 287
para 2. 8.5.96

2. The existing rules stand in the way of my appearing for the Revenue test (Higher) or the Criminal Judicial Test (Higher) as I have not passed the F. A. Examination of the Madras University. I am thus deprived of all chance of bettering my official prospects to the extent that I could otherwise aim at.

3. I entered the service of Government while very young or immediately after I passed the University Matriculation Examination. I have now put in 16 years' good service passing through various grades in Taluq, Dy. Collector's, Head Assistant Collector's and Collector's Offices to the present post of a Town Sub-Magistrate and Dy. Tahsildar, which I have earned purely by my hard work giving entire satisfaction to my superiors throughout. My humble services as a Sub-Magistrate in this and for sometime in the Tinnevely District, in the most important stations and towns, have been specially distinguished in connection with many grave crimes, such as Murder, Dacoity, Arson with and without riot, Forgery and false personation cases, the maintenance of peace and order where serious apprehensions to disturb it existed, and the suppression of riots. I may beg leave to mention the well-known swindling case at Virudupatty in Tinnevely in which case I arrested on a night amidst strong opposition of thousands a notorious swindler named Hazi Abdur Rahiman Saheb, with a very large sum of Rs. 52890, belonging to the people, with which sum he was about to bolt away then. Then comes the British India Steam Navigation Company's case at the Tuticorin Port, since which the Merchants European and Native who were for a long time being unobservedly swindled very largely of their consignments for which large refunds had to be paid, now realize cent per cent of the articles consigned to the said Port. It is the humble mark that I made in such business here and there that secured now to me the present promotion to Trichinopoly Town, the Collector Mr. J. Andrew having selected me from the Tinnevely District on preferment. My work in the Revenue side also has been similarly distinguished, as recorded by the Collectors of both the

Districts. My work in Tuticorin Town was also specially noted with pleasure in Board's Proceedings Mis. No 2229 dated 29th May 1896 (Separate Revenue), while my services in the recent high floods in Trichinopoly was appreciated by the Collector Mr. J. Andrew. I have had now and then special Revenue duties to discharge and during the previous high flood also I had a special deputation by the Collector to co-operate in the work of settling earth compensation for closing the breaches immediately to save the standing crops.

4. Though my official work left me little time for study, yet I managed to pass the departmental Tests noted in the margin* which would qualify me now up to a first grade Tahsildar. Last year I passed the Translation Test Higher grade with credit securing a place in the first class.

5. To qualify myself departmentally better if possible, and to try to be of further more use in the service of Government, I am now anxious to pass the Revenue and Criminal Tests in the Higher grade also. But for the specially heavy work I have had to do as a Sub-Magistrate almost continuously during the past 7 years I might have found time to study for and pass the said Higher tests as well prior to the promulgation of the present rules.

6. In view of this circumstance and of my hard work in the service of Government (about which I would respectfully solicit references being made, if necessary, to all the Collectors and the European as well as the Native Divisional Officers that I have had the honor to serve under, some of whom are mentioned in the margin*) I humbly beg that you will kindly recommend that Government may be pleased to permit me to appear for the Higher Revenue and Criminal Judicial Tests as a special case.

The applicant is
 one of the best native sub-

 under me. The Board of
 Revenue, as a special case,
 permitted me to appoint him
 as Tahsildar.

Usually I refuse to forward
 such applications as this. But
 I am strongly convinced that it

 a gracious, act if the Govern-
