NOVEMBER.

Communicating to the Collector of North Arcot letter from the Secretary to the Commissioner for Government Examinations stating that the Fifth Standard and the Special Primary examination may be recognized as equivalent to the Primary School examination.

PROCEEDINGS OF THE BOARD OF REVENUE
(LAND REVENUE).

READ—the following letter from J. K. BATTEN, Esq., Acting Collector and District Magistrate, North Arcot, to the Secretary to the Commissioners of Land Revenue, dated Chittoor, 5th November 1898, Ref. on Cur. No. 1251-Ver. :—

Two candidates one of whom has passed the Fifth Standard examination of 1892-93 and the other, the Special Primary examination held in December 1890, have sent in their applications for the ensuing Village Officers' Special Test examinations. The Fifth Standard examination is, I understand, higher than the Fourth Standard examination. Candidates producing certificates signed by an Inspector of Schools before 31st December 1889 that they have passed the latter (Fourth Standard examination) in certain specified subjects are under Board's Proceedings, No. 252, Land Revenue, dated 20th September 1898, eligible for the Village Officers' Special Tests. The Special Primary examination is stated to correspond to the late Special Upper Primary examination which has been declared by the Public Service notification to be equivalent to the Primary examination. As, however, neither the Fifth Standard nor the Special (Upper) Primary examination has been declared, either by the Public Service notification or the Board's Proceedings quoted above, to be equivalent to the Primary School examination, which the candidates for the Village Officers' Special Test examinations are required to have passed, I have the honour to solicit the orders of the Board whether the candidates who have passed any of the above examinations can be admitted to the Village Officers' Special Test.

2. As the Special Test examinations are to be held in this district on the 15th and 16th instant I have, pending receipt of the Board's orders on this reference, allowed the candidates to appear for the Tests and have informed them that their admission is subject to the Board's orders.

Reference on the above, dated 17th November 1898, No. 1299.

Referred to the Commissioner for Government Examinations for the favour of his opinion as to whether the Fifth Standard examination and the Special Primary examination may be recognized as equal to the Primary School examination.

(Signed) LIONEL DAVIDSON,
Acting Secretary.

To the Commissioner for Government Examinations with
letter to be returned.

READ—the following letter from E. H. ELLIOT, Esq., B.A., Secretary to the Commissioner for Government Examinations, Madras, to the Secretary to the Commissioners of Land Revenue, dated 23rd November 1898, No. 252-I.D. :—

In reply to the reference made to the Commissioner in your No. 1299, dated 17th November 1898, I am directed to state that the examinations mentioned may be recognised as equivalent to the Primary examination. They are in fact of a higher standard.

RESOLUTION—No. 327, dated 29th November 1898.

The letter received from the Secretary to the Commissioner for Government Examinations will be communicated to the Collector of North Arcot with reference to his communication No. 1251-Ver., dated 5th November 1898.
