NOTE FOR THE

No. 175C

The Consulting Architect wants to know if there is a prospect of getting the full amount of the estimate so that he may arrange to finish the hostel. The full amount of the sanctioned estimate is Rs. 1,83,948

(para 1 of G.O. no. 1971 Co. - Flag. 6/5/8/98)

In para 2 of that order it was stated that as the Committee had not sufficient funds at its disposal to carry out the whole project, it proposed to build one-half of the residential portion of the hostel with kitchen & wardens quarters at first leaving the remainder of the work to be finished when funds are available.

This proposal was approved by Govt. The cost of the first part of the hostel is estimated at ^{about} Rs. 10,5,000

(Note under cover of G.O. no. 2400 Bd. d. 15th July 1897. Flag V)

But the Committee has only about Rs. 83,000 in hand

including the grant of
Rs. 25,000 made by Govt.
There will then be a
deficiency of & requires
Rs. 22,000 more (as noted in
Para 2 of the G.O. at Flag V)
to finish the first part.
Govt. has promised to supple-
ment by an equal
amount the public sub-
scriptions that may be
received to make up their
share, but has not given
any promise to ~~subsidize~~
make a grant for the
rest of the work (Flag V).
It is therefore for the Com-
mittee to say when they
think they will get
enough money to finish
the hostel, tho' it is
very improbable that
they will be able to
speak definitely on the
point.
