THE Secretary to Government,

Through. The Board of Revenue
Madras.

I have the honor to submit the following
Case for the favourable Consideration of
Government.

2. One G. Venkataswami Chetty was
first appointed a Hollar on 20/8/81 in this Office
on the 12th December/84, and was afterwards
promoted to a Daleeg Gumarasta post on
3rd March/91. He continued to hold the latter
appointment till the 25th July/94 when he joined
the Bellary District Registrar's Office as Clerk
on 20/7/94 with a lien on his appointment in
the Daleeg Office. He resigned the appointment of
Daleeg Gumarasta on 30th July/95 on the assurance
that he would be confirmed in the Registration
Department but being subsequently asked to give
an undertaking to serve in that Department
for three years consecutively, he resigned his
post there in on 30th September/95 and took up
the appointment of acting 2nd Clerk District
Board.

To

The Collector of Bellary.

Sir,

In reply to your letter no: 501 dated
the 9th of March 1899. I have the honour to state
that as the proposed appointment is being made
3 years after the vacancy took place and with
the ostensible object of allowing the clerk to count
service for pension which otherwise he could not
do, the orders of Government are necessary.

I have the honour to be,
Sir,

your most obedient servant,

service for pension, the Accountant-General holds that the orders of Government should be obtained in the matter. The Board is not prepared to support the Collector's proposal as it virtually amounts to condoning the break of $4\frac{1}{2}$ months in the service of the clerk, a matter which should be considered only when the question of granting pension to the individual actually comes up. (Vide art. 995 Civil - Service Regulations).

2. It appears that in 1896, the Accountant-General pointed that Venkatachallam Chetti's permanent appointment of clerk on Rs. 15 in the Birth and Death Registration branch of the Collector's office should be considered as his first appointment in Government service and that the sanction of Government was thereupon obtained for his exemption from Examination rules as he had passed only the Middle School Examination in the 1st Class and was not eligible to hold an appointment of Rs. 15 according to the rules for admission to the public service brought into force from 1st July 1894. (Vide G.O. No. 543 Educational, dated 9th September 1896). While sanctioning the exemption of the clerk in this order Government stipulated that the concession should hold good only so far as the post of Rs. 15 in the Birth and Death Registration branch of the Collector's office was concerned. The Collector points out that if his present proposal be approved, the clerk who is a very useful subordinate and has -- passed the marginally noted Special-Tests will be eligible for pro-

does not consider that the --

short interruption in the service of the clerk should exclude him from the promotion which he would have received as a matter of --- course had he remained in the post of taluk gumastah to which he was appointed in March 1891. Though not prepared to advocate his permanent appointment for the period when he was merely an acting clerk, the Board recommends that the restriction laid down in G.O. No. 543 Educational, dated 9th September 1896 be withdrawn, so as to render the clerk eligible for further promotion.

The Government does not approve of the Collector's proposal now to appoint G. Venkatachallam Chetti as permanent 4th gumastah, Alur taluk, from 1st October 1895 to 13th --- February 1896.

Hon'ble member's remarks.

offici note

2. "The Accountant-General having held that Venkatachallam Chetti's permanent appointment of clerk on Rs.15 per mensem in 1896 must be regarded as his first appointment in the Govt. Service the clerk who had passed the Middle School Examination in the first class was ineligible for the appointment on Rs.15 under the rules for admission into the public service. On the recommendation of the Collector, the clerk was --- exempted from Examination rules---the exemption to hold good so long as he is employed as clerk on Rs.15 in the Birth & Death Registration branch of the Collector's office. If the Collector's proposal referred to in the previous para is --- approved the clerk who is stated to be a very useful subordinate will be eligible, for promotion to higher posts as -- having held a superior appointment on Rs.15 continuously from before 1st July 1894. The Board considers that the short -- interruption in the service of the clerk should not exclude him from the promotion which he would otherwise have received and recommends that the restriction laid down, in G.O.No.543 Edl, dated 9th September 1896 be withdrawn. It is submitted that this question should be considered in the Educational Department."

*Honorable Member's
remarks*

I think the restriction may be waived as recommended."
