Letter from A.H. Morin Esquire, Executive
Engineer, Cuddalore Division, to the Superintending
Engineer, III circle, Bellary, No. 199 dated
13th April 1899.

I have the honour to bring to your notice that the marginally noted individuals have been appointed as acting persons from the dates noted against each. They were appointed to fill up permanent vacancies but they were not confirmed as they have not passed the Primary School Examination prescribed in Public Service notification published in Part I Page 153 of the Fort Saint George Gazette dated 21st April 96 Rule I. They are strong and young and I found them always hardworking and trustworthy. It is however impossible for them to pass the requisite examination now. It is equally impossible to procure in these parts qualified hands to take the places of the above unpassed men.

In these circumstances I beg that you will be so good as to obtain sanction of Government for their exemption for the Primary Examination, so that they may be confirmed in their respective appointments.
