Madras, 1st. July 1899.

To

The Chief Secretary to the Government of Madras,

O O T A C A M U N D .

The humble petition of P. Kuppu-
swamy Iyah a Clerk in the Engi-
neer's Office, Harbour Trust Board
praying for exemption from the
prescribed Rules of the Service
for admission into Government em-
ployment.

Most Humbly Sheweth,

That your humble petitioner entered the ser-
vice of the Harbour Trust Board as a Clerk in February 1889 and
served in that capacity until March 1897 when your petitioner's
services were dispensed with on account of reduction of the
staff consequent on the completion of the Harbour Works. After-
wards your petitioner succeeded in securing a situation as a
clerk in the Deputy Collector's Office in the Ananthapur
District, but finding by the Rules that he is not eligible for
Government service was obliged to give up his appointment and
come down to Madras and he was re-entertained in the Harbour
Trust Board's service. Your petitioner's service in the above
office is about 10 years continuously - serving in the capacity
of a Clerk, Assistant Accountant and a Tracer in the Drawing
Department. Your petitioner now holds the appointment of a
Clerk in the Harbour Trust Board's Engineer's Office.

In the year 1891 your petitioner passed the
Middle School Examination in the First Class and was then eligible

for Government Service but by the modification of these rules in 1895, persons who have passed the Matriculation Examination only were eligible for Government appointment, thus barring your petitioner's prospect of entering Government Service unless your petitioner has passed the Matriculation Examination. Your petitioner after passing the Middle school Examination in 1891 used best endeavour to secure a Government berth, but all his efforts proved useless, and the present order adds to the difficulty of entering Government service when an opportunity offers itself. Your petitioner is now employed for more than ten years and has made himself qualified in the capacity of a Correspondence Clerk and Accountant in any Office under Government but the rules are against his entertainment, nor has ^{he} means or time to study and to appear for the prescribed Examination, as your petitioner has to support himself, his aged father, wife and 4 children with the small income your petitioner is now in receipt of.

Under the foregoing circumstances your humble petitioner earnestly craves that you will be graciously pleased to take his helpless case into your favourable consideration and exempt him from the operation of the Civil service rules thereby making him eligible for Government Service.

For which act of kindness your petitioner shall as in duty bound ever pray.
