SIR,

Referring to my letter No. 637/G., dated 5 October

R484 R

13-10-28

1898, I have the honour to request that sanction may be granted for confirming Chinnasawmi, as a peon of this office.

2. Since the date of my letter above referred to, two additional peons have been sanctioned for the office, and the post of a nightwatchman also fell vacant. With some difficulty one passed candidate and two pensioned sepoys were selected for the posts, but the passed candidate resigned after a few weeks and one of the pensioned sepoys also followed his example later on. The other pensioned sepoy is rather hard of hearing. I have since procured two more sepoys and shall give them a fair trial. There is great deal of packing work to be done in this office, as a large supply of Registers, books and stationery have to be distributed to the various offices. The peons have to assist on such occasions, but Military pensioned sepoys do not generally like to be put on such work.

3. Sometime ago, I brought in a peon from a Sub Registry office, who has proved himself more useful than pensioned sepoys. There is still another vacancy for which I have not been able to procure a peon from any sub office. It is in this vacancy that the man Chinnasawmi referred to in para 1

(has

has been acting for more than a year. During this period he has twice accompanied me on tour, last year as far as Nilgiris, and this year as far as Chatrapur, and has proved himself to be a very active and useful servant, and able to stand hard touring. I request, therefore, that I may be permitted to confirm him in his post.

I have the honour to be,

Sir,

Your most obedient Servant,

M. Jayaraman

SUBJECT

Exemption from the examination rules of
M. Chinnaswami an acting person in the
office of the L.G. of Registration.

FOR ORDERS.

The Inspector General of Registration
temporarily exempted from the examination rules
one M. Chinnaswami an acting person in his office
for one year from 24th June 1897 and included
his name in the return of exemptions submitted
for the half year ending 30th June 1898. He
was then asked to explain how it was necessary
to employ an unpassed man in Madras
where passed men must have been available.
In reply he stated that when a vacancy occurred
in his office he gave it to a passed man but
this man did not remain long, that endeavours
were then made to obtain a passed candidate
but only two boys appeared and they were quite
unfit for a person's post, that application was
then made to the officer in charge of Military
Pensioners but the man whom he sent knew
little or nothing of Tamil or Telugu, that
application was again made to that officer but

he was unable to find any further persons
 and that Chinnaaswami was then put in to act
 till a passed candidate could be secured.
 The I. G's letter was simply recorded.

2. The I. G. now requests that Chinnaaswami
 maybe permanently exempted from the examination
 rules so that he may be confirmed in the appointment.
 It is stated that since Chinnaaswami was entrusted
 as acting person, two additional persons were
 sanctioned for the office and the post of a night
 watchman fell vacant and that for these posts
 a passed candidate and 2 Depoys were selected
 but the passed man and one of the Depoys resigned
 soon after and two other Depoys were taken in
 their place. There is another vacancy in the
 office for which it is stated a suitable person
 has not been secured as yet. ~~The I. G.~~ It is
 in this vacancy that Chinnaaswami has been
 acting for more than a year. As he has made
 himself very useful during this period the
 I. G. wishes to confirm him in the appointment
 and his permanent exemption from the examination
 rules is therefore requested.
