GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper :—

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., LL.D., Director of Public Instruction, to the Secretary to Government, Educational Department, dated Madras, 22nd July 1899, No. 8253.

With reference to G.O., No. 105, Educational, dated 22nd February 1899, I have the honour to submit, for favour of approval, a copy of the revised form of bond for Madras-Burma Hospital Assistant pupils drawn up by the Government Solicitor, together with a copy of his letter, No. 302, dated 12th June 1899.

2. The existing form of bond was approved in G.O., No. 747, Educational, dated 15th October 1892. I beg permission to have the following clause inserted in the notification relating to Madras-Burma Hospital Assistant candidates published annually in the *Fort St. George Gazette* by the Commissioner for Government Examinations with reference to G.O., No. 429, Educational, dated 3rd June 1892 :—

"In the event of a selected candidate failing to comply fully with the terms of the bond required to be executed on his behalf by the parent, guardian, or friend of the candidate on his selection, his diploma is liable to be withheld in addition to the enforcement of the conditions laid down in the bond."

This clause provides for the withholding of a diploma in cases of infringement of any of the terms of the revised bond referred to above.

As regards the revision of the forms of bond for Civil and Military Hospital Assistant pupils, the Surgeon-General with the Government has been asked to have the necessary alterations carried out in them.

3. In regard to the revision of the Medical College rules, I beg to state that the College rules do not exist in any definite form and that the College calendar, which supplies the necessary information concerning the college, contains mostly a mass of information based on practice, or on the orders of the Director and of Government; but not well arranged. A definite and reliable code of rules for the college is necessary, but this can be prepared only after orders have been passed on the reorganization of the staff of the Medical College and on the establishment of the Provincial Medical schools.

4. As the Madras-Burma Hospital Assistant candidates recently selected have to execute the necessary bond on entering on their pre-collegiate course, I beg to request the favour of *very early* orders on this communication.

ENCLOSURE.

From E. BARCLAY, Esq., Government Solicitor, Madras, to the Director of Public Instruction, dated 12th June 1899, No. 302.

With reference to your letter of 2nd instant, No. 6111, I forward herewith a revised form of bond to be entered into by a surety for a Burma stipendiary student and providing that the bond shall only become void if the student goes through the pre-collegiate course, the full course of instruction at the Madras Medical College, shall pass the examinations necessary to qualify as an hospital assistant and, on his doing so, if required to enter Government service executing the prescribed form of agreement or, in the event of the student failing to do these things, on his or the surety's paying Government the amount received by the student on account of the stipend and, in addition, the tuition fees which other students would have had to pay. The bond should be for such an amount as will cover the full amount of the stipend plus the full tuition fees and, if thought advisable, might be for double the aggregate of those amounts.

2. I return the printed form of bond sent me, &c.

ORDER—No. 491, Educational, dated 28th July 1899.

The Government approves of the revised form of bond submitted by the Director of Public Instruction and sanctions the insertion in the notification relating to the selection of Madras-Burma Hospital Assistant pupils of the clause proposed in paragraph 2 of his letter.

2. Both in the bond and in the notification, for the words "Administration of Burma" should be substituted the words "Government of Burma."
