Dated 7th July 1899.

No. 3338 Misc.

Mr. Higgins

D. W. G. Cowie Esq.

READ

the following letter from collector of
Chingleput, Ref. on No. 1175/88 of 1899,
dated 7th June 1899.

The minor irrigation Establishment having been made permanent under the scheme communicated with Board's Proceedings No. 462 dated 15th December 1898, the post of the lascars attached to overseers have to be treated as forming part of the permanent Establishment. The temporary lascars entertained previous to the reorganisation are still continuing to do duty and some of them have been in their temporary employ for a number of years. It would be hard on them to summarily dispense with their services but under the rules they should be

27-1-99

made to go, as they have none of them passed the Primary School Examination.

2. In this connection, I have the honour to request to be informed whether Note (I) of the Public Service Notification which declares that persons holding appointments on the 30th June 1894 which were at the time acting but which subsequently fell vacant are eligible for confirmation in the same appointments, cannot be held to apply to those of the lascars in question who have been continuously in employ (Temporary Establishment) since 30th June 1894. In case the Board be of opinion that the rule is inapplicable to persons employed in temporary establishments, I would recommend that the men be exempted from the operation of the age bar and be allowed a year's time to pass the required examination.

Resolution
Submitted for the orders of Government with the Board's recommendation that minor irrigation lascars who had been continuously employed temporarily on such work for upwards of 18 months on 1st April 1899 may be exempted from the operation of article (I) of the Public Service Notification. Lascars who have been employed for a shorter period may be treated as proposed by the collector in the last sentence of his letter.
