To

The Director of Public Instruction.

20th September 1898.

Sir,

In reply to your letter No 9525, dated 22nd August 1898, I am directed to state that the Chief Engineer is unable at present to nominate a competent upper subordinate of the Public Department to succeed Sergeant Reynolds as Instructor in the College of Engineering. It is understood that Sergeant Reynolds is willing to continue in the appointment for a further term of two years, if he is granted pay at Rs.320 per mensem, which is considerably less than the pay and allowances of the grade next above his own. As you are prepared to seek the sanction of Government to the grant of more pay than Rs.300 per mensem, I am to suggest that the services of Sergeant Reynolds be retained on a salary of Rs.320 per mensem.

I have the honour to be,

Sir,

From

The Honorable Mr. D. DUNCAN, M.A., D.SC., LL.D.,
Director of Public Instruction,
Madras,

To

The Secretary to Government,
Educational Department,
Fort Saint George.

Sir,

I have the honour to submit, for the consideration and early orders of Government, the enclosed copy of a letter from the Deputy Chief Engineer, No 4124-C, dated 20th September last relating to the further retention in the college of Sergeant B. Reynolds, Instructor in Engineering.

2. Prior to his transfer to the College of Engineering on the death of Conductor Cames, Sergeant B. Reynolds was Supervisor, Public Works Department, and Sub-Divisional officer, Dindigul, and was appointed subprotem Instructor in Engineering under G.O. No 111, Educational, dated 13th February 1893, on a salary of Rs.240 per mensem inclusive of a personal allowance of Rs.40. It will be seen from this office letter No C-156 of the 16th November 1895 read in G.O. No 23, Educational, dated 17th January 1896, that he wanted to revert to the Public Works Department on the 1st January 1896, but subsequently he changed his mind and expressed his willingness to remain in the college until 31st December 1897, provided that a personal allowance to make up his total salary to Rs.300 could be granted to him. In view of the difficulty of finding competent persons in the Public Works Department, who would be willing to take the place, if vacated by Sergeant Reynolds, the Government of India sanctioned a personal allowance of Rs.60 so that he might draw the full pay of the appointment, viz, Rs.300

per mensem, with effect from the 1st January 1896, vide G.O. No 145, Educational, dated 16th March 1896.

3. In August last, Sergeant Reynolds applied for three months' privilege leave and also for retransfer to the Public Works Department, and the leave was recommended and sanctioned by Government, vide Fort Saint George Gazette of the 28th September 1898. I requested the Chief Engineer to nominate a competent officer of the Public Works Department to succeed Sergeant Reynolds and in answer to his query as to what salary I could give him I replied that a pay of Rs.300 is available, but that if no suitable officer could be selected for that pay a personal allowance would be recommended. The Chief Engineer says that he is unable, at present, to nominate a competent upper subordinate of the Public Works Department to succeed Sergeant Reynolds. It would, however, appear that Sergeant Reynolds is willing to continue in the appointment for a further term of two years, if he is granted pay at Rs.320 per mensem,

from what date

4. In paragraph 3 of its order, No 755, dated 18th December 1897, Government declined to sanction Rs.320 per mensem to Sergeant Reynolds. Since April last, however, this officer has been promoted permanently in the Public Works Department to Supervisor, 1st class, and his pay and allowances in Madras, in the event of his holding a D.P.W. Sub-Division, would be Rs.320. As he was promoted to Supervisor 1st grade (temporary rank) on the 7th February 1898 his pay and allowances in the Public Works Department from that date amount to Rs.320 per mensem.

5. Sergeant Reynolds is willing to continue in the college for two years more on two conditions, viz, (1) if he is granted pay at Rs.320 per mensem (2) in the event of his receiving further promotion in the Public Works Department, he should not be made to suffer any pecuniary loss. As he has already been promoted to the Rs.300 class in the Provincial Educational Service a personal allowance of Rs.20 would be enough for the present.

6. Sergeant Reynolds is also willing to cancel the three months' privilege leave recently sanctioned, as this leave was only intended to be preparatory to his return to the Public Works Department.

I have the honour to be,

For ORDERS

In his letter read above the D.P.I requests sanction for a personal allowance of Rs 20 being given to Sergeant Reynolds Instructor in Engineering in the College of Engineering, Madras. It is stated ~~that~~ as he was promoted to Supervisor 1st grade (temporary rank) on the 7th February 1898 his pay & allowances in the Public works Dept from that date amount to Rs 320 per mensem while his pay in the College of Engineering is only Rs 300. The personal allowance of Rs 20 recommended by the D.P.I is thus to make up for the loss which Mr Reynolds is now put to. The sanction of the Govt of India is required for the grant of this allowance

2. Attention is solicited to the note on Cur 1096 in the linked file.

under the proposals of the D.P.I sanctioned in G.O. No 755 Ed dt 18th December 1897, and given in detail in that note, whenever the public works pay & allowances of the Senior Instructor exceed Rs 300 he has to be replaced by a junior. If this is not done, effect can never be given to ~~that~~ sanction. Mr. Reynolds applied for re-transfer to the Public works Departt but the Chief Engineer was unable to nominate a competent upper subordinate of the Departt to succeed ~~Sergeant~~ him. Under the sanction, however, the nomination is left to the Principal who has better opportunities of knowing the capabilities of these subordinates (who must have all passed out of the College) and who can easily obtain an officer to take Mr. Reynolds' place. It is submitted therefore ~~that~~ the D.P.I may be asked to request the Principal to select a person. If he also fails, application may be made to the Govt. of India for the grant of the personal allowance now recommended. It seems however ~~that~~ if the plan already approved should work, the junior Instructor should become senior when the latter reverts and another, junior to the former, should be found to take his place.

For ORDERS

Under para 12, Chapter II, vol I, of the Public works code, a military upper subordinate of the P.W.D who may be appointed to the Provincial Service of the Engineer Establishment must forego his military rank. In his letter read above the D.P.I requests at the instance of the Chief Engineer that a definite pronouncement may be obtained from the Govt. of India as to whether or not the same rule applies to a warrant officer of the College of Engineering Madras who may be appointed to the Provincial Service of the Educational Departt.

2. The question has arisen in connection with Sergeants Reynolds & Goddard, Instructors in Engineering and in Surveying & Drawing in the College of Engineering. In G.O. No 755 Ed dt 18th December 1897

Govt. approved with a slight modification certain proposals of the D.P.I. regarding the filling up of the appointments of these instructors (B). As approved, the proposals stand as follows:-

(1) Each appointment shall be for a term of five years. The Principal of the College shall be allowed to select the subordinates he wishes to be appointed though the power of appointment will rest with Govt. The subordinates shall be military subordinates if possible.

(2) The subordinates appointed shall be seconded in the P.W.D. during their tenure of office and shall receive promotion in that Dept.

(3) The appointments shall be special and the incumbents shall not be graded in the Educational Dept.

(4) The incumbents shall receive the pay that they are entitled to in the P.W.D. if they are stationed in Madras.

Before the date of the above order, the two appointments were included in the Provincial Educational Service. In submitting his proposals, the Director said that their inclusion in the Provincial Service would be no longer necessary but that two appointments in that Service - one on Rs 300 & the other on Rs 250 would be considered to be specially set apart for the College of Engineering. (D)

3. It is not clear why effect has not been given to this order as yet. If it is done

The scheme can't be introduced till both Reynolds & Goddard Co. It was contemplated that

Reynolds 8rd - Co (Flag D. para 5 Flag B. para 3)

now, the question of warrant officers of the Engineering College being appointed to the Provincial Service of the Educational Dept. will not arise and no reference to the Govt. of India will, it is submitted, be necessary. In that case ~~it would also seem that~~ the Sergeants can also draw their Public Works pay & allowances, while employed in the Engineering College, up to a maximum of Rs 300 & Rs 250 and ~~that~~ when they become entitled to more, they should vacate for juniors who should be appointed on the same conditions as above but for a period of 5 years.

MJ
29/11/98

It is not clear exactly when the scheme sanctioned in G.O. No. 758 Ed. d. 18-12-97 was intended to come into force, but it would seem that as that scheme practically involves the abolition of two appointments in the Provincial Edl. Service (as the two appts. are to be set apart & made special), the sanction of the Govt. of India would be necessary under art 93 (ii) C.S.R.

Note for ~~the~~ Secretary -

1. In G.O. No 755 Ed D. 18th Dec 97, Govt approved certain proposals of the D.P.I. for the future recruitment of the Instructors of Engineering and of Surveying & Drawing in the College of Eng and passed orders on the petitions of Sergeants Goddard and Reynolds. As regards Sergeant Goddard Govt expressed the presumption that if the appointments in the College of Eng were made special appointments (not included in the Prov. Ed Service) he would not be obliged to sever his connection with the army and asked the D.P.I to report upon that point and to state whether Sergeant Goddard elected to remain in the College of Eng. As regards Sergeant Reynolds, Govt refused to entertain his requests for increase of pay.

2. In January 98, the D.P.I. re-submitted the Memorial of Sergeant Goddard, stating that he was willing to remain in the Ed Dept, provide

he (Goddard) ~~was within~~ could remain in the Army and receive promotion and consequent increase of pay with his contemporaries. Thereupon the D.P.I. was requested to report whether the conditions of the Prov. Ed. Service necessitated Sergt. Goddard severing his connection with the army, & if so what should be done to obviate the difficulty. The D.P.I. reported that Sergt. Goddard apprehended that if he was confirmed in the Prov. Ed Service he would be held to have severed his connection with the army and with it to have lost the advantages of the Exchange Compensation allowance and a sterling pension. In its order no 820 Ed. of 23rd May 1898, Govt. stated that it did not see that Sergt. Goddard's confirmation in the Prov. Ed Service would necessitate ~~the~~ his leaving the Army but that if it did there was no objection to Sergt. Goddard being permitted to hold his appointment sub pro tem. It was also stated that there was no bar to his getting promotion in the Prov. Ed

Here again the D.P.I never reported on this point but simply said that Sergt. Goddard "apprehended that he would have to sever his connection with the army." The D.P.I evidently did not know whether Goddard would have to do so or not; for he now asks that a reference should be made to the Govt. of India on the point.
ak.

G-

cno 1096-

If the Govt. of India decides this point in the affirmative, both Goddard & Reynolds will want to revert to the P.W.D, as otherwise they will sever their connection with the army, & if they revert, the scheme sanctioned in G.O. 755 d. 18/12/97 (Flag 13) can be brought into force.
ak.

Ed. Service & that a recommendation had been made to the Govt. of I. for ~~grant~~ the grant of exchange compensation allowance to the Instructors in the College of Engg.

3. By this order Sergt. Goddard has virtually been permitted to remain in the Ed Dept., but the question whether his remaining in the Ed Dept will necessitate his leaving the Army has not been settled. It is to settle this question that the D.P.I. has now come up. He states that under para 12, Ch II of the P.W.D. Code, military upper subordinates of the P.W.D. cannot be appointed to the Prov. Service of that Dept. without fo~~[illegible]~~ military rank and enquires whether the same rule does not apply to military subordinates of the P.W.D. appointed to the Prov. Ed. Service and requests that a definite pronouncement on the point may be obtained from the Govt. of I. Submitted that this may be done. As regards the question when the scheme sanctioned in G.O. no 755 d 18-12-97 is intended to come in force, attention is requested to para
3

para 3 of Major Love's letter no 1335 d 23rd Dec. 1897 under cover of G.O. no 320 Ed d 23-5-98; He states "I understand that the conditions of service of the Instructors in Eng & in Surveying & Drawing which are now approved by Govt are applicable only to future incumbents and not to the present instructors. Both Sergts Goddard & Reynolds feel unable to accept a five year period" With ref to this, neither the D.P.I nor the Govt stated anything; it may therefore be presumed that they agreed with Major Love.

5. As regards Sergt Reynolds there was no [illegible] correspondence subsequent to G.O. no 756 d 18-12-97. The D.P.I now reports that Reynolds wanted to revert to the P.W.D in August last; that he (D.P.I.) wanted the Chief Engineer to nominate a Competent officer of the P.W.D. to succeed Reynolds & that the C.E. (in September last) is unable at present to nominate a Competent officer even on a pay higher than Rs 300. He also states that Sergt Reynolds is willing to remain in the college for two years more on two conditions, viz -

(1) If he is granted pay at Rs 320 p.m.

(2) in the event of his receiving further promotion in the P.W.D. he should not be made to suffer any pecuniary loss. It is stated that Sergt Reynolds has been promoted in the P.W.D., first temporarily from the 7th Feb - 1898, and secondly permanently from April last & that his pay and allowances in the P.W.D. would be Rs 320 -

6. The D.P.I therefore recommends that Reynolds for the present be given a personal allowance of Rs 20, as he is already in receipt of a pay of Rs 300 in the College.

7. With ref to this recommendation it is submitted that the details of the pay & allowances which Sergt Reynolds will get in the P.W.D. are not given and that they may be called for before final orders are passed.

8. It does not seem that Reynolds will be satisfied with a personal allowance of Rs 20. He says that his pay should be increased from time to time to equal the emoluments

Flag L.

A.

Cuo 1375 Flag M in the linked file -

It is possible, though improbable, that the C.E. might be able to recommend some one now. a.E.

The pay & allowances of Rs 320 may include Horse allowance which is given for a specific purpose & is only sanctioned when the officer is fulfilling the conditions which justify the grant.

If so, as Reynolds is not at present fulfilling these conditions, he would have no claim to the extra ments he will be entitled to in the P. W. D. This ~~[illegible]~~ is ~~[illegible]~~ exactly the request that was refused last december, and there seems to be no good reason for granting it now. ~~Govt cannot undertake to do~~. (Please see para 8 of G.O. no 755 d. 18-12-97.)

The D.P.I. may also be asked whether Sergt. Reynolds agrees to remain in the College on a salary of Rs 320 per m. without increase for two years, and if so ~~up to~~ from what date. The date is not given in his present letter.

This condition does not seem consistent with the statement in para 5 of the same letter that two appointments (in the Prov.l Edl Service) one on Rs. 300 & the other on Rs. 250 would

No. 820 d. 23-5-9 Perhaps the D.P.I meant that the pay of the incumbe of these two posts should start at Rs. 300 & 250 & rise according to their pay in the D.P.W, but it is not definitely stated so & it would be well to hav the point made clear befor the new scheme is brough into force.

Sir,

With reference to paragraph 1 of Memorandum No 8 Educational, dated 11th January last, I have the honour to state that Sergeant Reynolds is not willing to remain in the College for two years on a salary of Rs.320 per mensem. On his intimating his desire to continue in the department if he were permanently promoted to the Rs.350 grade, I have in my letter No 4961, dated 29th April 1899, recommended his promotion to the seventh class of the Provincial Educational Service as a special case.

C.No. 664.

2 In regard to the discrepancy pointed out in paragraph 2 of the above memorandum, I beg to state that it was my intention that the incumbents of the two appointments of the College of Engineering, referred to, should receive salaries of Rs.300 and Rs.250 as members of the Provincial Educational Service and that, if the salaries they would thus draw happen to be below what they would draw as officers of the Public Works Department stationed in Madras, any excess of the latter over the former should be made good by the grant of personal allowances, to bring up the salaries to what they would draw if they were in the Public Works Department. Vacancies having occurred in the Provincial Educational Service, Sergeant Goddard has already been promoted to the Rs.350 grade and Sergeant Reynolds has been recommended for promotion to that grade.

NOTE FOR THE Secretary

The memo referred to by the Secy is flagged N in the first linked file.

(Below)

The chief question on which the D.P.I was asked to report was whether Sergt. Reynolds is willing to remain in the Coll: of Engineering for two years on a salary of Rs. 320 a month without increase. The Director's reply is Current No. 800 in the same file. He states that Sergt. Reynolds is not willing to remain in the Coll: for two years on a salary of Rs 320 a month & the Director has consequently recommended his being permanently promoted to the 7th class of the Provincial Educl. Service on condition of his remaining permanently in the Coll: (& apparently ~~of~~ on the condition of his receiving promotion in the Edl. Service, should it come to him). This question of raising Sergt. Reynolds' pay to

Flag I.

Rs. 350 is referred to in the Director's letter in the file on the reorganization of the Coll:, but is excluded in estimating the financial effect of the reorganization.

A further difficulty in this matter has now arisen. The idea was that Sergt. Reynolds should be permanently transferred to the Edl. Dept. But if he is permanently transferred he will have to forego his military rank (v. Govt. of India letter in the second file linked with this). Apparently then, the Director will now have to be asked to report whether Sergt. Reynolds is prepared to forego his military rank on being appointed to the Provincial Edl. Service. The Director may also be asked whether Sergt. Goddard, who has, according to the Director already been promoted to the Rs. 350x grade in the Provincl. Edl. Service (v. his letter Curr. No. 800 in the first linked file) will be willing to stay in the Edl. Service if he has to forego his military rank.
