OFFICE OF THE DIRECTOR OF

PUBLIC INSTRUCTION,

Madras, 27 July 1899

No. 8402

From

THE HONORABLE MR. D. DUNCAN, M.A., D.SC., LL.D.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

THE SECRETARY TO GOVERNMENT,

Educational Department,

Fort St. George.

SIR,

Under G.O.No 987, Educational, dated 22nd December 1894, the fees for the riding course of Engineer and Engineer Subordinate students, who entered the College of Engineering, Madras, prior to 1896, have been borne from Provincial funds, the Public Works Department being debited with the fees of such of them as have been drafted into it immediately on the completion of their practical course. All others who have entered the College since 1896, have been required to pay their own fees for the riding course. The acting Principal recommends that soldier students joining the Engineer Subordinate class in any year be exempted permanently from the operation of the above ruling and that their equitation fees be paid by Government. I beg to support his recommendation.

2. From Article IX (IV) and (VI) of the Rules of the College it will be observed that the Military students are exempted from payment of college fees and are not required to meet any expense whatever from their private funds during their entire college course, including the year of practical training. It does not seem, therefore, fair to require them to pay the equitation fees, which form practically a portion of the "College fees," inasmuch as the equitation course is a part of

the college course. If the above proposal is approved,
I beg to suggest that the Public Works Department be
required to bear, as hitherto, the charge in the case of
soldier students entering that Department immediately
on the completion of their practical course, the fees of
the rest being debited to the Educational Department.

I have the honour to be,

Sir,

Your most obedient servant,

J. G. ...

Director of Public Instruction.
