SIR,

With reference to the enclosed copy of a letter from the Professor of History, Presidency College, dated 13th ultimo, I have the honour to state that the probationary period of five years of Mr. Allen's engagement will come to an end on the 16th September next.

2. Under the terms of his Agreement with the Secretary of State for India, paragraph 8 recorded in G.O. No. 684 Educational of the 14th September 1894 Mr. Allen will, on the expiration of the period of five years, continue in the service of Government, and no renewal of his covenant seems necessary. The terms and conditions under which he will continue to serve have been ^{clearly} already laid down in paragraphs 8, 14 and 15 of the Government of India Resolution No. 4, Education, 204-215, dated 23rd July 1896. It will suffice if the Accountant-General is instructed to pass to Mr. Allen the higher rate of pay allowed in paragraph 8 (b) of the above Resolution from the 17th September 1899, as Government has, I believe, no intention to dispense with his services.

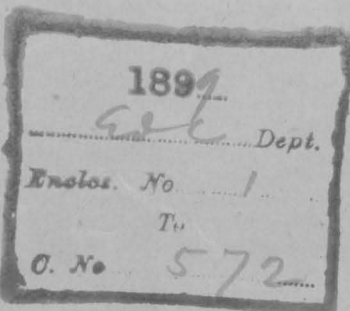

I have the honour to be,

Sir,

Your most obedient servant,

G. H. Stuart

As an additional expenditure of nearly Rs 300 is involved for which there is no provision in the Current year's budget the Director should be called upon to submit a re. appropriation statement indicating the savings from which the charge can be met. ~~There is~~ provision of Rs 600 made for an Inspectress of Girls' Schools which, it is understood, has not yet been utilized. Savings from this source will be sufficient to cover the increase of Rs 50 proposed to be given to Mr. Allen from the 17th Sept next.

NOTE FOR THE SECRETARY.

Under Article 158 of the C.A.C. a reappropriation statement is required only if the increased expenditure cannot be met from the grant made at the beginning of the year; but it is submitted that it is not at all difficult to find Rs 300 from the total allotment for education of nearly 18 lakhs. The D.P. has power to transfer funds from one minor head to another under the same major head. vide no 94 of the budget rules - marked with red tape in the orange coloured pamphlet - put up.

Moreover under art 155(b) of the C.A.C. provision is to be made in the budget for only the ^{of an officer} actual salary earned on 1st April of the year for which the budget is prepared without reckoning future increments. If a re-appropriation statement is re-

provided the expenditure is entirely under his control. Is this so in this case?
