SIR,

With reference to your memorandum No. 347, dated 19th July 1899, I have the honour to state that it is on the first ground (economy) that it is proposed to purchase locally the steel trunk required by the Inspector of schools, Central Circle. For, in the long run, the outlay on a steel trunk would be less than that on wooden or tin boxes which cannot stand for long the wear and tear to which they are put by touring officers like the Inspectors of schools.

I have the honour to be,

Sir,

Your most obedient servant,

SIR,

I have the honour to request that you will be good enough to obtain the sanction of Government, under article 98 (k) of the Civil Account Code, for the purchase of a steel trunk, at a cost of Rs. 20, for the use of the office of the Inspector of schools, Central Circle. The Inspector has to travel over several districts and has to carry many record papers with him. As a steel trunk is lighter and can hold more records, it will be very useful to him, while on tour, for the carriage of records.

I have the honour to be,

Sir,

Your most obedient servant,

D. Duncan

SUBJECT.

Purchase of a Steel trunk for the use of the
office of the Inspector of Schools - Central Circle

FOR ORDERS.

Under Article 98 (K) of the Civil Account
Code articles of European manufacture should
ordinarily be obtained by indenting on the Secretary
of State; but this rule does not apply to petty purchases
not exceeding Rs 10 in value made in the local market.
Should the cost of the article exceed Rs 10 the previous
sanction of Govt. is necessary. This sanction can
however be accorded only in the following special cases

- (1) When for any special reason it may be more
economical to purchase the article in India
- (2) To meet emergencies or
- (3) When the articles are perishable.

Orders are therefore solicited as to whether the
sanction applied for by the D.P. for the purchase
of a steel trunk costing Rs 20 may be granted.
There is nothing to show whether it will be more economical
to obtain the article in India.
