SIR,

I have the honour to forward
for countersignature a Travelling
Allowance Bill for journeys made
in connection with the inspection
of Technical Schools and the develop-
ment of the Aluminium industry
sanctioned in G.O. No. 282. Edl. of
16th May 1899.

Most of these journeys were
undertaken before the receipt of your
Proceedings No. 5557 dated 19th May
1899, as I was authorized by the
Hon. Mr. A. T. Arundel to start on
this work in anticipation of sanction
In

In consequence I went to Colombo
on Aluminium business and only
received the intimation that I was
not to go there on my return to
Madras. As the journey from
Tuticorin to Colombo was for the
sole purpose of establishing
agencies for the sale of the Alumi-
nium manufactures of the School
of Arts I presume it is within the
powers of the Government of Madras
to sanction the separate Travelling
Allowance bill submitted.

I have the honour to be,

Sir,

Your most obedient servant

Mynd Chatterton

SUBJECT.

Travelling allowance to Mr. Chatterton
for going to Colombo.

FOR ORDERS.

Flag N.

In April last the D.P.I. re-
quested sanction for Mr. Chatterton
visiting Colombo, Cuttack, Poona,
Bombay and Secunderabad in con-
nection with the development of
the aluminium industry. In
G.O. no 282 dtd 2 16th May 1899,
permission was given to Mr. Chatterton
visiting all the places ^{above} referred to
except Colombo; as Govt had
no power under art 73 of the C.S.R.
to sanction Mr. Chatterton going to
Colombo. But before the receipt
of the above order Mr. Chatterton
had started on his proposed tour.
He states that he was authorized
by the Hon Mr. A.J. Arundel to
start in anticipation of sanction.
He thus went to Colombo before the

receipt by him of the S.O. saying that he was not to go to Colombo.

Mr. Chatterton now submits a travelling allowance bill for Rs 70-12-0 for going to Colombo and requests that it may be passed.

The A.G. states that the sanction of the Govt of I is necessary for his passing Mr. Chatterton's bill.

Orders are solicited as to whether the Govt of I may be addressed.

Cno 1024.

Cno 1182.

If Mr. Chatterton was only authorized generally to go on his tour, he sh^d not have gone out of India without sanction. But if he was led to understand he might visit Colombo, then submitted that the Govt of India may be addressed.

I have no distinct recollection of the matter but will accept Mr. Chatterton's statement. Application should I think be made to India for ~~the~~ sanction. Let me see the ^{draft} letter.

Letter No 5-34 dated 14/8/99 to the Secy to the Govt of India Home Dept.

Sir,

I am directed to state that in April last this Govt was requested to grant sanction to Mr. A. Chatterton of the Indian Educ^l Service to visit Colombo, Cutch, Poona, Bombay & Secunderabad in connection with the development of the Aluminium industry in the Madras School of Arts, details of which have been given in my letter No. 505 of 4th Inst^{nt}. But as this

Office File in this No. + date

This Govt has no power under art 73 of the C.S.R. to authorise any of its officers to proceed beyond the limits of British India, permission was given to Mr Chatterton to visit all the places mentioned except Colombo. Before, however, the formal order granting this permission was received, Mr Chatterton had started on his tour, in anticipation of sanction, & has ~~now~~ submitted a travelling allowance bill amounting to Rs. 70-12 for his journey from Tuticorin to Colombo, stating that he only received the intimation that he was not to go to Colombo on his return to Madras. H. E. The Governor in Council considers that, as this journey was undertaken solely for the purpose of establishing agencies for the sale of aluminium articles manufactured in the School of Arts, the travelling allowance asked for should not be withheld, & I am accordingly to request that the sanction of the Govt of India may be accorded thereto.
