From

The President,

District Board, Godavari.

To

The Director of Public Instruction,

Madras.

Sir,

This District Board provided in its budget for the current year for getting three pupils trained as hospital assistants in the Madras Medical College. Among the applicants for scholarships, there was only one Matriculate and the rest passed either the old Middle School Examination or the Lower Secondary Examination. I have selected the Matriculate who is a Hindu and two Muhammadans who have passed Middle School Examination in 2nd class and have directed them to enter upon their precollegiate course, which they have done.

1. Muhammad Tahir. 2. The Principal of the Medical College
2. Rustum Khan.

has objected to my action and asked me to state under what authority the non-Matriculates were selected for the Hospital Assistants' Class. I explained to him that they being Muhammadans were selected the concession granted in rule 3 of the rules published at page 107 of the George Fort Saint Gazette dated 21st February 1899.

3. He points out, however, that the rule applies only to the selections for the Civil Branch of the subordinate medical service, that there is nothing to show that it was intended to be extended to cases like the present and that the necessary exemption should be obtained to their admission to the College.

4. The selections were made under the impression that those rules apply. But, if you concur with the Principal of the Medical College, and consider that the sanction of the Government is necessary for the admission of non-Matriculates though they are Muhammadans, I request that you will be so good as to obtain the same.
