READ.

the following letter from Bamratyne Macleod Esq. M. A. Barad. Law, Collector of Anantapur, Ref on B + L No 1088 of 98 dated 5th July 1899: -

I have the honor to state that there are some Minor Irrigation lascars in this District, who were entertained during the Organisation of the temporary Minor Irrigation Establishment. These men, when first appointed, were not required to have passed any examinations. Now, according to rule (1) of the Public Service Notification

Notification, they cannot be made permanent lascars, since they have not passed the Primary Examination.

These men by their continued service in the department have picked up much experience, and as such are more useful than raw passed candidates. Further it seems hard that they should not be allowed to enjoy the benefit of the new scheme, though they have been working hard, bearing a good character for 4 or 5 years in the establishment.

I therefore request that Government may be pleased to order the confirmation of all lascars that have been in the temporary establishment till now, and that the examination rules may not be enforced in

in their cases.

Resolution

Submitted for the orders of Government in continuation of B. P. No 3338 dated 7th July 1899.
