Sir,

With reference to memorandum No 267, Educational, dated 25th May 1899, I have the honour to submit a draft notification in the form of addenda and corrigenda to the Government Technical Examination Notification. The Committee has not indicated the grade of the examinations in Materia Medica, Practical Pharmacy, and the Special Laboratory course. As the standard is high, I have classed the examinations as being of the Intermediate grade. The syllabus in Inorganic Chemistry (Elementary) is the syllabus of Inorganic Chemistry (Elementary) under the Physical Science group.

2. The syllabuses will be published separately for issue to the public.

3. In granting certificates required under clause (ii) of article 6, the Principal of the Medical College, will see that the candidates for the examinations prescribed for chemists and druggists have attended the necessary lectures and courses referred to in paragraph 9 of the Committee's report printed on page 12 of G.O. No 491, Educational, dated 9th August 1898. The course of study and the regulations will be incorporated in the Medical College calendar.
