Dear V. Karun Amrah

I give this letter to a young man Ghased ali Khan a member of the Carmate family for presentation to you in the hope that you may be able to give him some appointment in government of H. H. the Nizam.

He is an accountant in the office of the Madras Board of Revenue and I am afraid is not likely to obtain any further promotion here. He there-fore is anxious to try for an opening in another direction and if it should be your power to assist him, I think you will find him a deserving recipi-ent of such favour as you may confer upon him.

I trust your Excellency in good health and does not feel the weight of your office too much.

Account of G.

To

His Excellency Sir Arthur E. Havelock  
G.C.M.G.G.C.I.E.  
Governor of Madras.

May it please your Excellency.

I humbly beg to bring the following few lines to your Excellency's favourable consideration.

I am a great grandson of Wallajah, the late Nabob of the Carnatic and I am at present Mail Agent, in the Railway Mail Service, Jolarpet on Rs. 20 per mensem for the last 5 years without prospects of any promotion.

During the administration of His Excellency Mr. Adam the late Governor of Madras my brother Ahmed Ali Khan was exempted from passing the requisite examination (copy is herein enclosed) for your Excellency's perusal and obtained a footing in the Revenue Board from that time up to the date he served honestly and carefully and gave every satisfaction to his superiors.

In 1895 His Excellency Lord Wenlock the late Governor of Madras taking into consideration the friendship of my great grandfather Wallajah with the British Government recommended him to the Prime Minister at Hyderabad for some appointment in the Nizam's Government copies of the letters are herein enclosed for your Excellency's perusal.

In 1884 my brother Muhammad Husain Khan was also exempted from passing the Middle School examination rules through the recommendation of Dr. C.D. Macleane the then Collector of Salem and got a footing in the Salem Collector's office copy of Board's Proceedings is herein enclosed for your Excellency's perusal. Except these men there are many at present in the Government service some belonging to the Carnatic family and some of other family have been exempted from passing the requisite examination some before they were entertained in the service and some after.

As I have several claims in the British Government such as pensions and jaghirs &c. now this door is entirely closed at present, I beg to request that your Excellency will be pleased to

grant me the concession I seek.

As I have at present a very large family to maintain and to pay school fees for my male children, the present salary is quite insufficient and am anxious to get into some other Department, where I can hope to rise and thus support my family but as this is not possible under the examination rules.

Under these circumstances I humbly request that your Excellency will be pleased to exempt me from passing the requisite examination, so that I may be entertained in any Government office.

For which act of kindness and benevolence I shall as in duty bound ever pray.
