FOR ORDERS.

Flag E.

There are now 5 type writing machines in the school of Commerce Calicut and the supply of a sixth one was sanctioned in G.O. No 451 Edt dt 10th July 1899. The S.O. now submits an indent for this machine and for typewriter accessories and says that a Remington typewriter no 7 (Stable types) may be supplied if available and if not one with ordinary types. He submits also an indent for a duplicator and its accessories.

Flag B.

Orders are solicited as to whether the indents may be forwarded to the Secretary of State. The first two machines required for the school were obtained by indent on the Secretary of State, but these machines are now usually supplied by the Stationery Office and that office has already been requested to supply a Remington writer no 7. It has been ascertained that it has no Remington typewriter no 7 with Stable types

If the indent is forwarded to the Secretary of State No. 451 d. 10th July 1899 will have to be cancelled.

The estimated cost of all the articles comes to Rs 559-2-0 against a provision of Rs 700 in the budget.

Secy Under G.O. No. 110 Fmt. d. 5th Feb. 97
all typewriting machines required for public officers should be obtained through the Stationery Office which indicates on the India Office for the machines & accessories. The indent received from the D.P.I. may therefore be forwarded to the Stationery Office with the remark that the typewriter specified in the indent may be substituted for the one sanctioned in G.O. No. 451 d. 10th July 1899.
