OFFICE OF THE DIRECTOR OF

PUBLIC INSTRUCTION,

Madras, 22 August 1899.

No. 9451

From

THE HONORABLE MR. D. DUNCAN, M.A., D.SC., LL.D.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

THE SECRETARY TO GOVERNMENT,

~~Educational~~ DEPARTMENT,

Fort St. George.

SIR,

I have the honour to state that J.A.Hart and H.H.Lynsdale, two of the military students of the Apothecary department of the Medical College, who had failed in two subjects at the Final Examination for the apothecary grade held in March last, have been recommended by the College Council for admission to the final year of study as private students, on condition of their entering the Government service as Military Assistant Surgeons, should they come out successfully at the Final Examination to be held in March next. This recommendation has met with the approval of the Surgeon-General. As however the admission of private male candidates into the Apothecary department is forbidden under the rules relating to that department, I beg to solicit the sanction of Government to the above two students continuing their studies in the college, but as private students, more especially as it is ⁱⁿ the interests of the Medical Department that they should be allowed one more opportunity to qualify for the grade of Military Assistant Surgeons.

2. As the session has already commenced, I have, in anticipation of the sanction of Government, instructed the Principal, to give effect to the College Council's recommendation.

3. I take this opportunity of suggesting that the Director

be empowered to sanction similar admissions without
reference to Government.

I have the honour to be,

Sir,

Your most obedient servant,

J. G. D. M.

Director of Public Instruction.
